juniors with 12th place honors. Milton District High School fell three spots in the overall standings for sixth place.

Their senior girls team however, posted the best single showing of the day as four runners placed in the top 10 and blew away all challengers.

Chrissie Henderson ran the 4,600m course in 20:19 and finished fourth. One spot and 23 seconds back was Carrie Meltzer while Karen Carson and Natasha Hooper came seventh and 10th respectively.

"Karen (Carson) and Natasha (Hooper) trained hard this summer and really stepped things up today (Wednesday)," said Meltzer. "I had predicted we'd (senior girls) finish first and that all four of us would come top 10. Thankfully, that's just what happened."

MD failed to score top five placings in any of the other five divisions.

E.C. Drury sent just a handful of competitors to Kelso Wednesday. Their top finisher was Bryan Gent, who came ninth in the junior boys race.

## Milton feeding on the bottom fish

Special to *The Champion*

The Merchants spent the past week wiping their feet on the West Conference bottom feeders.

Dishing out generous servings of humble pie at home and on the road, Milton bombed Georgetown 9-2 and Streetsville 9-1 to bolster their season record to 6-1.

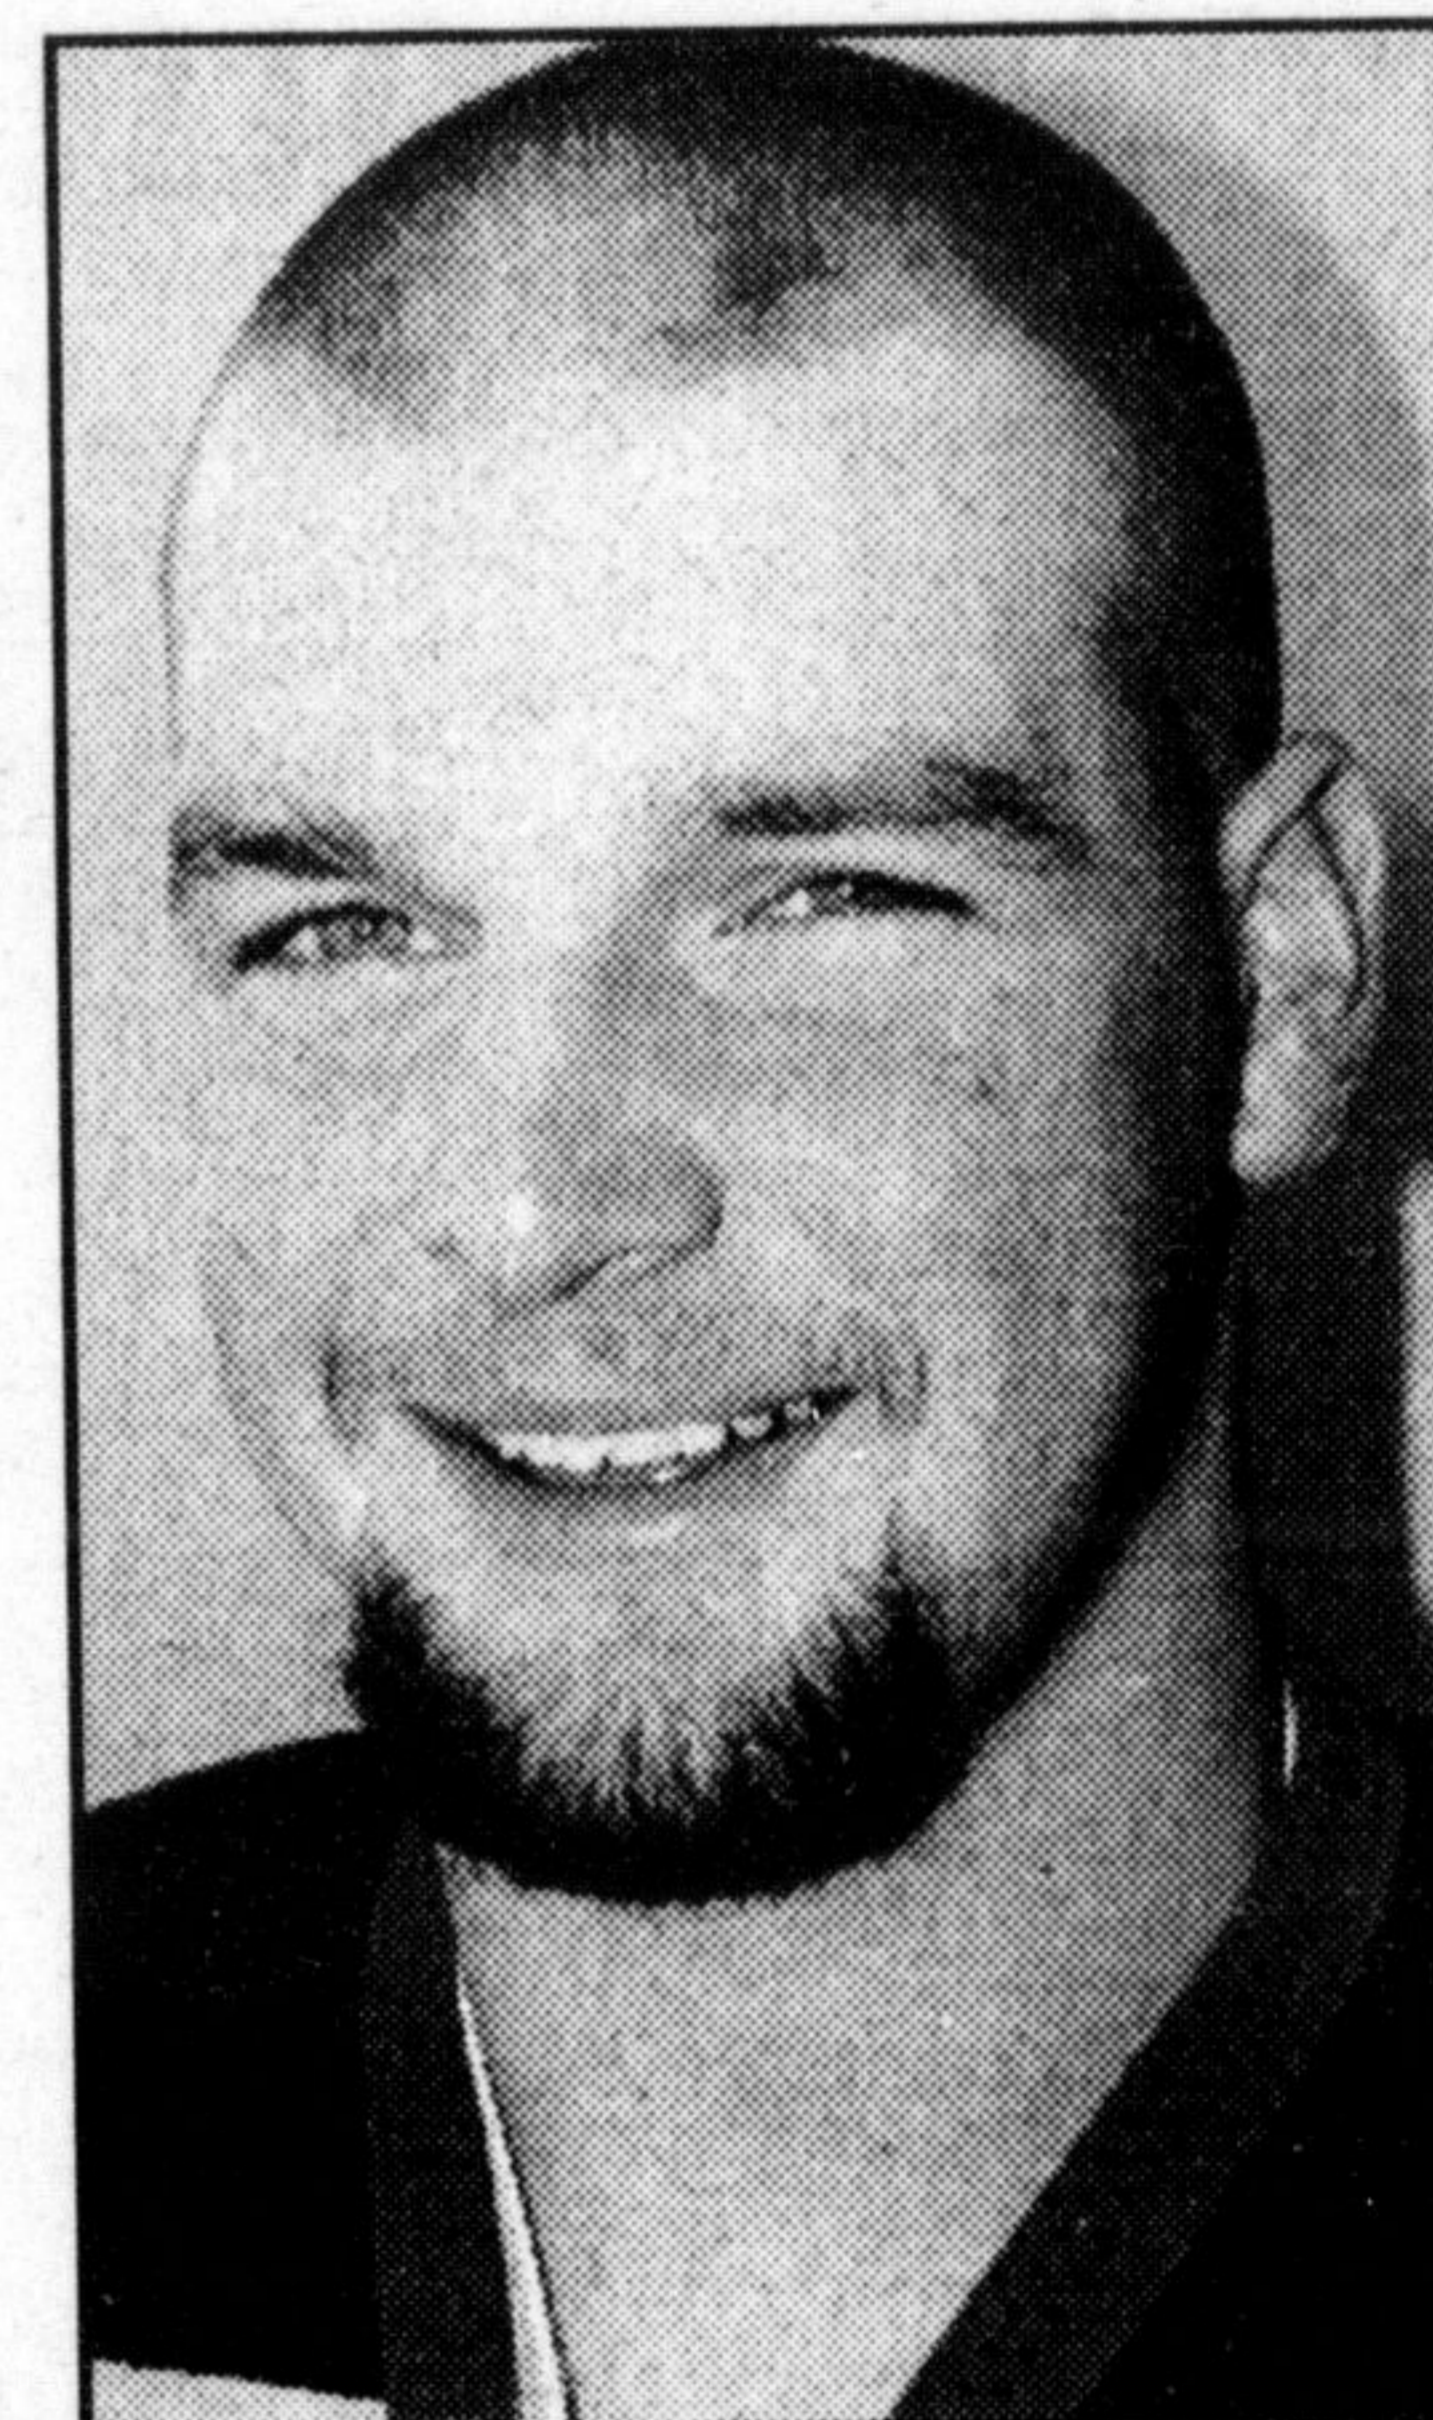

"When we play like this, there's not too many teams that can skate with us. We've got so many weapons," said head coach Marty Williamson, after Tuesday's triumph at Streetsville's Vic Johnston Arena.

Even with talented rookies John Nadalin, Jamie Fitzgibbon and Jeff Seeds sitting out, the Merchants were able to completely annihilate Stan Kalapaca's Derbys.

They spotted the home team an early lead before handing them their sixth loss of the year.

Veteran defenceman Shane Sullivan helped engineer the blowout with his first junior hat-trick.

He erased Streetsville's advantage with an upstairs backhand and then fired two rockets past goalie Jason Nedilski — who has worked without a backup for the past couple of weeks.

Sullivan finished the night by scaring Gregg Bradley into submission, in a split-second fight.

Fellow tough guy Mike Hurst later pummeled David Pink and earned a two-game suspension as the instigator.

Darren Haydar registered his third consecutive four-point game with a goal and three assists.

Linemate Kevin O'Flaherty tallied twice while Ron Baker drew three helpers.

Also scoring were Matt Bannan, Mark Cooper and captain Jeff Haydar.

Jeremy Wenzel turned back 22 shots for his third win between the pipes.

Leading the hit parade at home last Friday, the brothers Haydar figured in the first six goals and buried the lowly Raiders.

Darren turned the trick and added one assist while Jeff set up his younger sibling's initial tally and scored two of his own.

Nathan Gillis posted a goal and two assists while other singles came from O'Flaherty, Seeds and Rich Williams — who has stood out since his long-awaited return.

David Cinelli saw little work in the cage.

Special teams play was hardly a factor in either game, as Milton scored just one powerplay goal in each.

**Merchant notes:** Darren Haydar is averaging just under three points a game with eight goals and 11 assists in 7 games ... Milton hasn't allowed a powerplay goal in four games ... The Merchants host Hamilton tonight (Friday) at 8 p.m. They travel to Vaughan Monday.
