

Tanker wheels stolen

A thief in need of truck tires targeted a Milton yard last month, and managed to get away with quite a haul.

Crime Stoppers hopes someone can help identify whoever was involved.

Between 6 p.m. Saturday, Oct. 11 and 6:30 p.m. the following day, someone forced the lock from the gate to the compound at All-Trailer Ontario, 185 Nipissing Rd.

Two tanker trucks were jacked up and their wheels removed. The trucks were then lowered onto blocks.

In all, 12 wheels were taken. The Michelin and Bridgestone tires alone were worth about \$400 each, and were all mounted on Accuride rims.

Investigators hope someone saw something that might help with the investigation, or knows where the stolen tires were taken.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

Crime Stoppers OF HALTON

You need not give your name and your information can be taken with complete anonymity.

Crime Stoppers does not subscribe to call display.

Call 1-800-222-TIPS or 825-TIPS.

Crime Stoppers of Halton is operated by a board of directors made up of 18 civilians from all areas of Halton Region.

The reward fund results from the financial support of business, industry, service clubs and private citizens.

The board of directors raises the money, decides on the amount of rewards, and actually pays the rewards.

Crime Stoppers is incorporated as a charitable organization, therefore all donations to the reward fund are tax deductible.

Durante's AUTO SERVICE AND TOWING INC.

• Would like to wish all the little ghosts and goblins a very happy and safe Halloween.

• and to remind motorists to drive carefully and watch for children!

BAHAMAS THE HONEYMOON NEVER ENDS!

'I'M GOING TO THE BAHAMAS' is a statement more and more people are making these days, as one of the original vacation spots on the North American continent is coming alive again! TREMENDOUS NEW RESORTS are being built, while other mainstays are refurbishing and upgrading to meet the needs of the tourist industry leading into the year 2000! OVER ONE BILLION DOLLARS is the count at the moment of the amount of \$\$\$ to be spent on many projects leading into the next millenium.

HOW ABOUT 700 ISLANDS? Most think of GRAND BAHAMAS ISLAND when thoughts turn to the Bahamas - and the cities of FREEPORT AND NASSAU, but in fact there are a total of 700 islands! The 'BAHAMAS OUT ISLANDS' they are referred to with THE ABACOS (often called the 'Sailing Capital of the World!'); THE EXUMUS; ANDROS; ELEUTHERA; CAT; LONG and HARBOUR ISLANDS just a few of the many inviting you to visit. The beautiful sunny, sandy beaches; the casinos, the nature parks and botanical gardens, the watersports, golfing, a spectacular WORLD'S LARGEST OPEN-AIR AQUARIUM; great dining, and shopping - there's lots for everyone. Just over 50 miles off the coast of Florida, it's an easy non-stop flight away for Ontarians!

A GREAT RESORT WHICH CATERS TO A LOT OF CANADIANS is the RADISSON CABLE BEACH RESORT at NASSAU, deemed 'A Truly Exceptional Experience'; they have spent well over \$15 million (US) updating their facility. This beachfront property has a 'tropical pool' which is comprised of eight swimming areas, winding waterways, swimup bar, and cascading waterfalls, Jacuzzis and gardens, in its 25,000 square feet of pleasurable courtyard. Every room features a balcony with panoramic view. A popular all-inclusive - the property is available with SIGNATURE VACATIONS at the travel office. Yes, the HONEYMOON CONTINUES in the BAHAMA ISLANDS!

???

DID YOU KNOW DEPT.: You can get information from your Professional Travel and Cruise Officials, or at the BAHAMAS TOURIST CENTRE in Toronto by phoning 416 968-2999, or by fax 416 968-6711, or on the Internet via a variety of entries.

TRAVEL TIP OF THE WEEK: Other good reasons to go to the Bahamas - the Bahamian dollar is on par with the US - \$\$, so we can relate to it better than many countries!, and English is the dominant language spoken by the people of the islands.

The way to go!

BAHA'I

UNITY IN DIVERSITY

Fall foliage is one of God's blessings. Nature suffers no disunity, but is fortified by the variety of flora and colours. So too with humanity and culture. On the birthday of Baha'u'llah (the Glory of God) on Nov. 12th, Baha'is echo the Founder of our Faith in affirming that diversity should be lauded, not lessened - celebrated, not curtailed in the quest for global spiritualization.
