

# Goods recovered, youths charged over break-ins

Two Milton youths aged 14 and 15 years face break and enter charges in connection with two incidents October 9 and 18.

Houses on Childs Drive and Randall Crescent were broken into, said Det. Sgt. Ron Welsh of Halton Regional Police.

Stolen jewelry and cash were recovered following an investigation, he said.

### Citizens help in drunk-driving arrest

Involvement by citizens helped police arrest an impaired driving suspect last Friday.

Police said citizens followed and detained an alleged drunk driver after a pick-up truck cut off a vehicle that was leaving the Optimist Centre parking lot on Commercial Street.

Police said the citizens stopped the pick-up truck at Heslop and Thompson roads at 6:45 p.m., boxed it in so it couldn't leave and called police.

A King Street man faces impaired driving related charges.

### Impaired charges

• A single-vehicle accident on Eighth Line at 2:50 a.m. October

19 resulted in drunk driving-related charges against a 33-year-old Hornby man. A 1992 Buick struck a hydro pole.

• Police stopped a 1987 Dodge Shadow on Derry Road October 19 at 9:30 p.m. after a car was seen weaving on Bronte Street. A 26-year-old White Drive man was charged with impaired driving and driving with over the legal limit of alcohol in his blood.

• A 23-year-old Moffat man faces drunk driving-related charges after police spotted a 1988 Honda Accord repeatedly cross the centre line on Highway 25. The incident occurred October 18 at 3 a.m.

### Driver assaulted

Police are looking for a man after a motorist reported being assaulted at the intersection of Main Street and Thompson Road.

Det. Sgt. Welsh said the 28-year-old Roseheath Drive man was stopped at the intersection Sunday at 5:40 p.m. when an unknown man slapped the driver's side window.

The stranger then opened the door and grabbed the man around his shirt collar, ripping it, and complained about being cut off.

The only description of the assault suspect is that he is white.

### Truck used in break-in

Thieves stole a pick-up truck from an Ontario Street apartment building parking lot and used it to force open the rear doors of Univet Pharmaceuticals Ltd. on Steeles Avenue.

Police found the damaged \$10 pick-up truck at the rear of the building following the break-in overnight October 20.

Stolen were anabolic steroids and vitamins for animals.

### Man arrested after alarm sounds

A suspect found sitting in a red Ford Topaz was charged with break and enter after police responded to an alarm at a McGeachie Road business Monday at 11:30 p.m.

Police spotted a man in the car outside the business. The vehicle, which wouldn't start, had a stolen computer in the back, said Det. Sgt. Welsh.

Officers didn't believe a story from the suspect, who said he saw suspicious-looking people loading computers into a pick-up
