

Quality GREENS

Time to eat

It has been a long standing tradition at Quality Greens to provide the finest cut of red brand Beef Ontario has to offer. Now, we are proud to announce that all our beef comes from the local Mennonite communities. The Mennonite Beef Farmers produce, in our opinion, the finest product found in Ontario. It is leaner & yet the most flavorful, moist & tender cut of beef we have ever experienced.

Quality Greens bringing you *Nature's best!*
From our family to yours.
