

# Trio of councillors taking their leave

By BRAD REAUME  
The Champion

Milton Councillor  
Howard, Marion  
Brooks, Gerry Best, Colin

As the term for Milton's current town council ends, three members who will not be returning in December were given plaques in recognition of their contributions.

Councillors Marion Howard and Gerry Brooks, both previously representing Nassagaweya, and regional Councillor Colin Best, representing urban Milton, were given a chance to speak of their time on council.

Ms Howard, who during her six year tenure occasionally allowed her frustrations to come through, said she had a four-word speech but assured councillors it was not full of four-letter words.

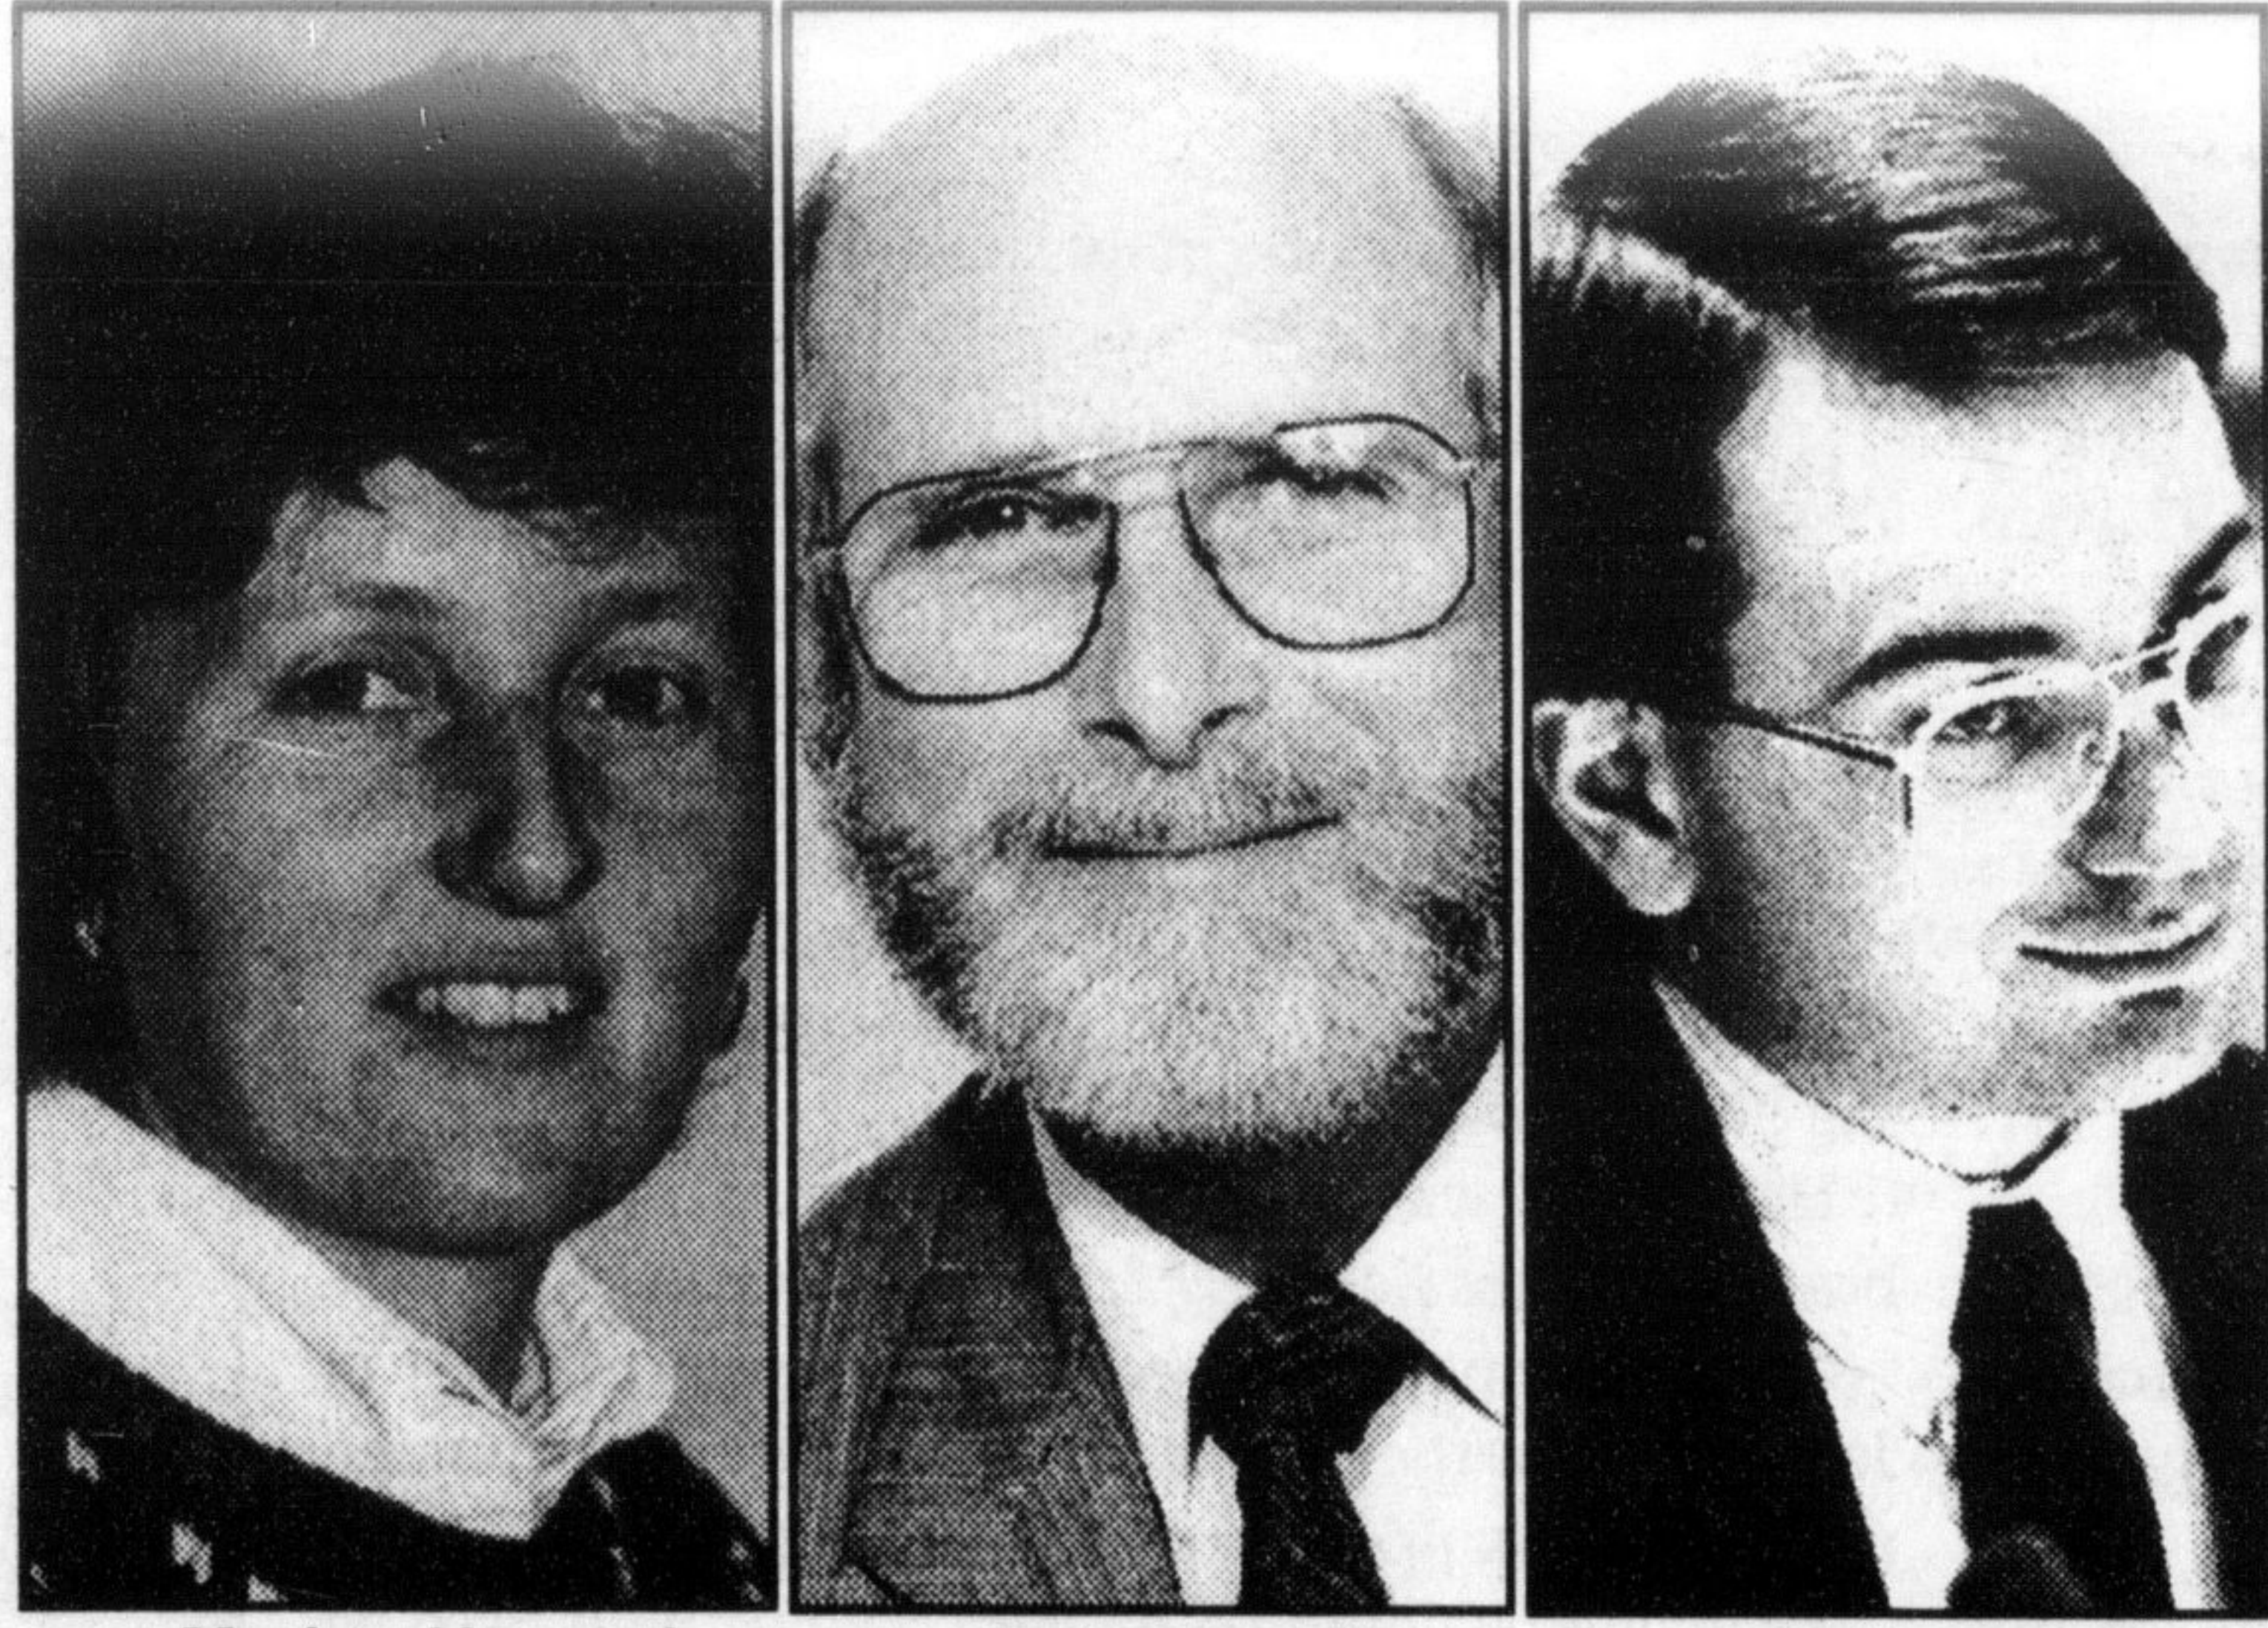

"It's been a slice," she said, explaining that her two terms have been "an important slice" of her life. She called it a tremendous learning experience and a great way to get to know your neighbours.

Mr. Brooks, who made an unsuccessful bid for a regional council seat, said he learned a great deal during his two terms.

"Some staff might disagree, saying I know only a very little," he laughed. "However, I have received much help from staff over the years."

Colin Best, a member of town council for 17 years, the last three as a regional councillor, said new council members do not know what they've gotten themselves into.

He thanked staff, previous councillors he worked with, and Mayor Gord Krantz. Mr. Krantz defeated Mr. Best by approximately 1,000 votes in the recent mayor campaign.

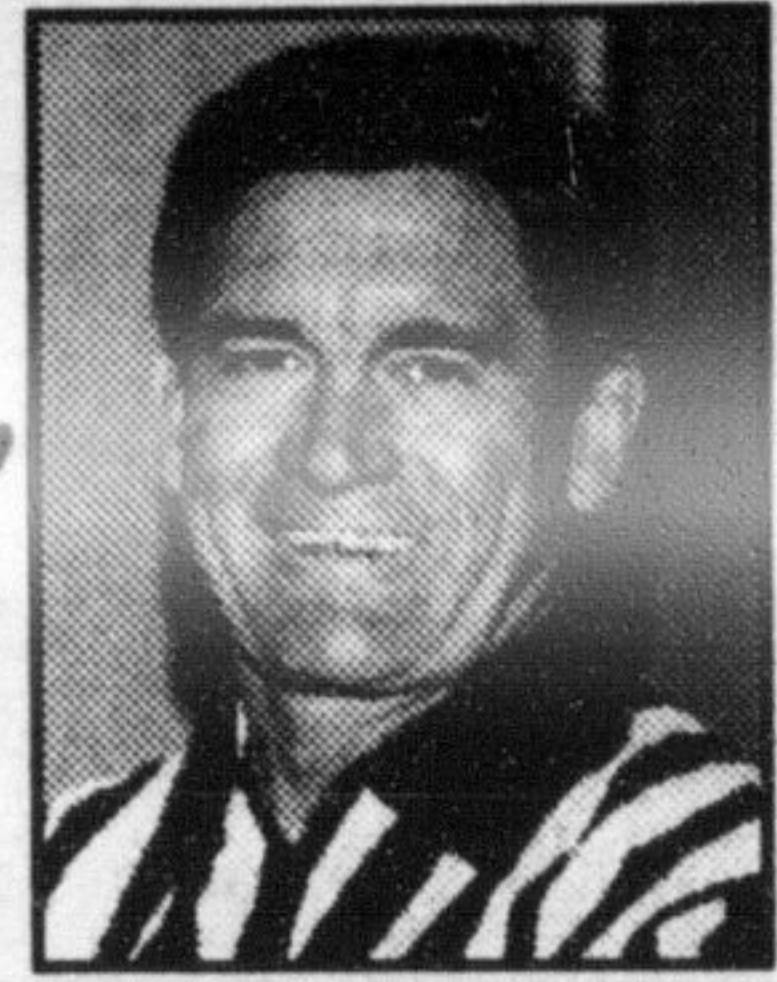

Marion Howard Gerry Brooks Colin Best

"The next three years are going to be the most difficult and most tremendous years for council," Mr. Best said. "However, my family plans on spending much of my time."

The three councillors were given a warm round of applause for their efforts on behalf of Milton residents.

## HELP - WITH VACATIONS!

FOR THOSE OF YOU WHO DO NOT TRAVEL MUCH, there is lots of assistance for you in your travel planning. Views are most often directed to those who have 'been there - done that', to offer new thoughts and ideas, that we forget there are those out there who MAY HAVE NEVER BOOKED A VACATION! Well, there is LOTS OF ASSISTANCE for you at your local professional travel agencies, where PEOPLE AWAIT THE OPPORTUNITY TO ASSIST YOU in seeking the 'VACATION PACKAGE' best suited for you. A person we spoke with recently was glad someone else in her family had made the booking when she travelled to Las Vegas, until she realized how easy it is with 'PACKAGES ALREADY PUT TOGETHER' by the many tour suppliers available through travel agencies.

YOUR PASSPORT TO THE WORLD is the title of a publication put out by the Passport Office of our federal government. Most countries of the world require a passport to allow your entry. Any Canadian citizen may apply for a passport, which is good for a period of five years. Issued for travel purposes only, they are a valuable asset as they include your picture, and makes for the easiest entry, even in those few countries which may not require them. APPLICATION FORMS FOR CHILDREN AND ADULTS ARE AVAILABLE at your local travel agency, or you can call 1-800-567-6868 (GTA 416-973-3261) for assistance. Also if you wish to receive birth certificate information for Ontario, you can call 1-800-461-2156.

REGULAR UPDATES ABOUT TRAVEL TO EGYPT are released for tourist information at all times, just as for every country whether there has been a recent problem or not, but this information becomes more important than ever now, due to the RECENT EVENT AT LUXOR! Our visit there a couple of years ago was a wonderful experience, to see all the HISTORY ALONG THE NILE, as many hundreds of thousands have done and will do in the future. The government will up its protection for tourists, by doubling and tripling their measures to ensure the recent incident will not take place again. They have not had problems in Luxor before, however we have to realize in travelling anywhere in the world, events can happen. (We had a son in Paris, France a few years ago who was dining, when suddenly the business next door exploded!)

DID YOU KNOW: Electronic ticketing, where there is no actual ticket issued, just an itinerary and booking number, is fast becoming standard in certain areas.

TRAVEL TIP OF THE WEEK: Go to a tanning studio for a session before you go south - be ready!
