### 166 Careers

#### INFO 2000 inc.

Info 2000 offers a friendly, relaxed working environment, competitive remuneration, profit sharing and an excellent benefits package. Due to phenomenal recent growth, we are looking for a select group of career driven, self motivated professionals to join our company. If you are a team player who wants to play a major role in the development of new applications, you may be the candidate we are looking for. We are seeking University graduates in Computer Science or Mathematics with at least three years programming experience to fill the following immediate openings:

##### Software Developer

The ideal candidate will have previous experience with Internet application design and development using Java. (C++, Power Builder, Visual Basic, and Delphi experience may be acceptable). Relational Database experience is essential. Strong SQL skills, and communications / networks experience is desirable. Previous experience with distributed applications would be a definite asset.

##### Informix Programmer

The ideal candidate will have previous experience with a fourth generation language using RDBMS with SQL. A thorough knowledge of Informix would be a definite asset.

##### Technical Support Person

This individual would be responsible for client support of computer applications. If you have previous Relational Database System experience you may be the individual we are looking for. Expertise with Informix while not required would be a definite asset.

##### Technical Writer

If you have at least two years experience writing documentation and manuals for computer applications, you may be the person we need. Excellent written skills along with Word Processing and Desktop Publishing skills are the combination we are looking for. Previous experience with DOC-to- Help or similar help generator applications would be a definite asset.

Please forward your resume in confidence to Susan Grant  
Info 2000 Inc., 917 Nipissing Road, Unit A, Milton, Ontario L9T 5E3
