Disney skate show auditions being held

Accomplished skaters will have the opportunity to follow in Kathy Motton's footsteps late this month when Walt Disney's World on Ice holds auditions in Toronto.

Ms Motton, of Milton, landed a job with

the skating company and has toured internationally while working.

On Monday, Dec. 29, Disney will stage auditions for Beauty and the Beast at SkyDome. The screening will take place from 9:30 to 11:30 a.m. Successful appli-

cants must be at least 17 years old or in their senior high school year.

Applicants must bring their own skates, a birth certificate and current Canadian Figure Skating Association test levels. Call Judy Thomas in Florida at (941) 349-4848.

Loving Memory Tree helps Halton families

Bereaved Families of Ontario — Halton/Peel is once again displaying the Loving Memory Tree at the Mississauga Civic Centre.

The display of white lights on the tree in memory of loved ones who have passed away opened Monday and will continue until the new year.

"The pure white lights on the tree offer families a touching and visible way to acknowledge the memories of their loved ones," said the organization's executive director Doris Burns.

"The names of these loved ones are displayed beside the tree." Although the holiday season is a time of celebration, for some people it is quietly painful, she said.

"Building traditions of remembrance can help the bereaved reconcile their loss."

This year's tree-lighting ceremony was held last week.

"The Loving Memory Tree was first displayed in 1991 and the support from the community was tremendous," Ms Burns said.

Last year, 300 people attended the event.

The group helps parents live with the death of their children and assists children, adolescents and young adults in dealing with the passing on of a parent or sibling.

For more information about the organization, call (905) 507-2200.
