SELECT HOME DESIGNS

- Main rooms are positioned along the back of the home for maximum privacy and exposure to the view.
- Cathedral entry is brightly lit by a central skylight and large window over the double door entry.
- Set up to the vaulted living and dining room with gas fireplace and sundeck beyond.
- U-shaped kitchen offers abundant counter preparation area and a convenient pass through to the dining room.
- Breakfast area features a bay window and provides French door access to the deck.
- Separate laundry and utility rooms are located adjacent to the kitchen and two car garage.
- Master bedroom boasts a bay window sitting area, walk-in wardrobe and master bath with twin vanities and private shower and toilet area.
- Unfinished lower level offers an additional 1999 sq.ft. for future development. The suggested layout includes a den, family room and additional bedrooms.
