

Kids pick favorite books

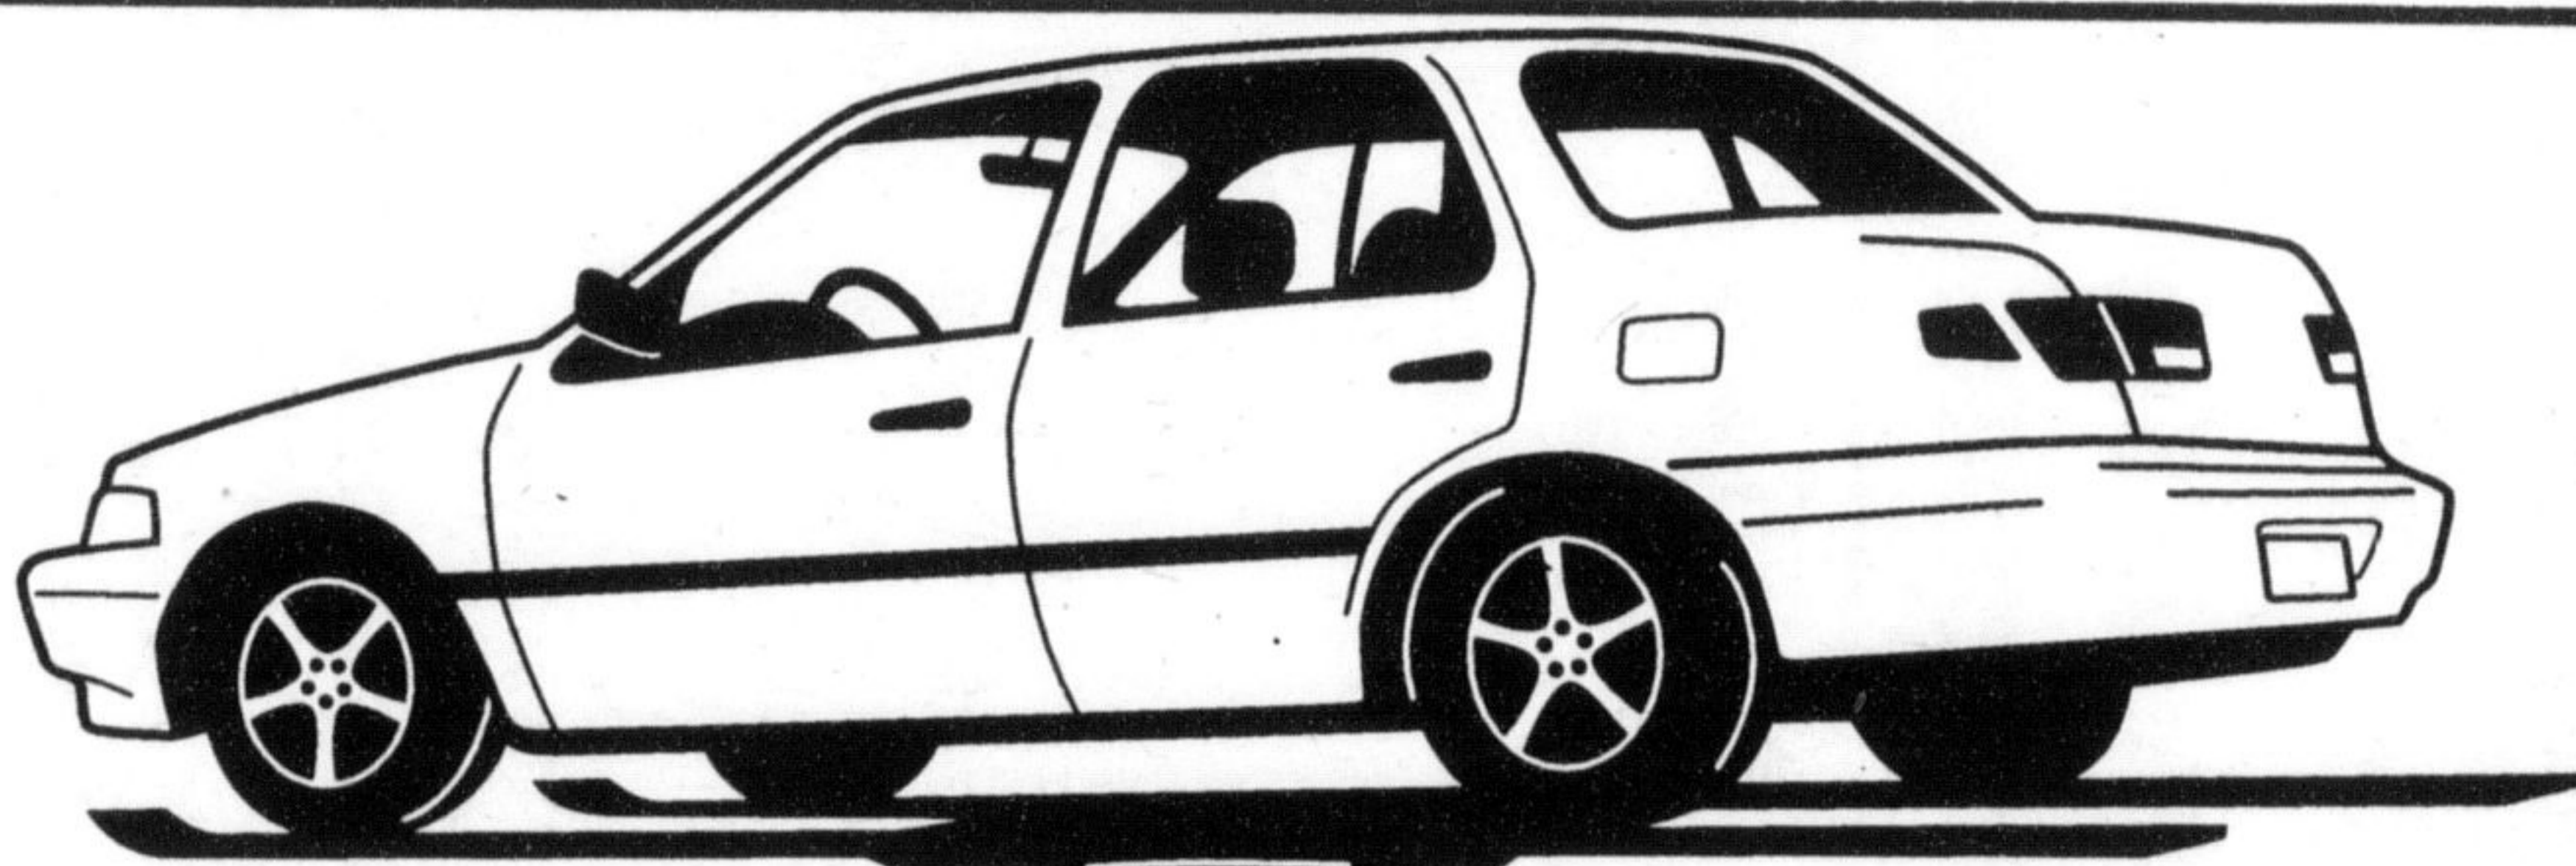

Local youngsters are once again being asked to pick their favourite new books.

Milton Public Library is inviting students from grades four to six to help select the winner of the Silver Birch Award. The award goes to two recently published Canadian children's books. One winner

will be a non-fiction entry, the other fiction.

After registering at the library, participants are given a list of the 20 nominated books, at least five of which must be read in order to be eligible to vote.

Voting takes place in early May.
