

## Soaking it in

Deena Sheridan enjoys the spring sunshine as she plays with five-month-old son Christopher in the park at Town Hall. February 1998 was one of the mildest on record with temperatures more than five degrees celsius above the average for this time of year.

### JOB NOTICE

#### PLANNING TECHNICIAN POSITION

The Planning and Development Department consists of nine positions in four service areas including; Policy and Research, Development Review, Economic Development and Mapping Services. The Planning Technician provides a key role in each of the service areas and is to provide leadership and co-ordination in advancing the computerization of the mapping and data management system. This challenging position is suitable for self starters who can work in a team environment with minimal supervision on diverse projects and successfully take on increasing levels of responsibility.

#### Duties and Responsibilities

1. Prepare and maintain all manner of mapping, including computer assisted mapping.
2. Develop and maintain data bank of planning and economic development information, producing summaries and reports as requested.
3. Process land division, N.E.C. permits, minor variance, removal of holding provisions, site plan and part lot control applications including co-ordination of comments, recommendations and report preparation.
4. Prepare schedules, graphics and presentation material for departmental service areas.
5. Departmental web site design and management.
6. Prepare mailing lists and public notices for development applications and planning studies.
7. Prepare annual Official Plan consolidations.
8. Represent the Town and Department on working committees.
9. Quality customer service.

#### Educational and Skill Requirements

Community College - Planning Technician or related diploma; GIS certificate and AutoCAD certificate. A university degree related to planning would be an asset.

Cartography and Urban Design  
Experience with Provincial assessment data and Federal census data  
Computer proficiency; AutoCAD Map 14, Windows 95, EXCEL, ACCESS, ARC-Info, WORD, POWERPOINT and Amanda programs  
Data base management and statistical analysis

Eligible for membership in the Canadian Association of Certified Planning Technicians

Applications should be directed to Mrs. K. Levere, Receptionist.

Deadline for receipt of applications is **March 16, 1998.**

The salary range is \$27,092 to \$31,897 plus a competitive benefit package.

Personal information is collected under the authority of the Municipal Act RSO 1990, Chapter 45 and will be used to select a candidate. Questions regarding this collection should be directed to the Personnel Officer.

All who apply for this position are thanked for their interest, but only those selected for interviews will be contacted.
