MARCH IS

EASTER SEALS

MONTH

The Milton Rotary Club through the Easter Seal Society Launches the Annual Fund-Raising Campaign

Almost 21 children with physical disabilities in Milton and area will benefit throughout the year from the funds raised during the March Easter Seal Society fund-raising campaign.

The time-honoured Easter Seals will make their way into homes all across the region in the next few weeks. "We are hoping that the seals will create much-needed awareness and generate vital funds for children with physical disabilities," says Doug Kocher of the Milton Rotary Club. "But the seals are only one of the many fund-raising activities taking place in Milton this year."

The majority of the money raised throughout March will be used locally to provide community nursing, financial and counselling assistance, equipment, transportation, camps and parent support programs.

"Provincially, we hope to raise \$15.4 million during March," says Peter Ely, executive director of The Easter Seal Society. "The last couple of years have been very challenging for The Society. Escalating equipment costs, stricter budget restraints and reduced government funding mean a tougher road ahead for The Society and the families we serve. "In this, our 75th Anniversary year, we hope people will do their best as we continue our work of putting kids first!"

Says Mr. Kocher, of the Milton Rotary Club, "the seals help create awareness and generate essential funds for children with physical disabilities."

easter seal society

Left to right: President of the Rotary Club Ron Smith, Veronica Dupuis, Doug Kocher, Chairman of the Rotary Club Easter Seals.

The Rotary Club of Milton Easter Seal Tammy for this year is Veronica Dupuis. Veronica lives in Kilbride and is 16 years old. She is the daughter of Dan and Monica, sister of Shelly, Age 21. Veronica received a cheque for \$11,000 on behalf of Easter Seals a portion of funds raised in 1997.

E. C. Drury Workshop students volunteered to help collate the Easter Seals donation envelopes.
