Better Cleaning Through Stain Removal

With our unique TurboClean™ wash system, the Maytag Neptune™ washer continuously turns laundry over to remove even tough stains like grass, blood and ring-around-the-collar. Better than conventional washers!*

Washer Features:

- Extra-large door opening for easy access.
- Simple controls and indicator lights make operation quick and easy.
- With no washer lid, our porcelain enamel top with spill-catching edges doubles as a convenient work surface.
- Exclusive contoured front panel adds a sleek and modern look.
- Our reversible door gives you complete flexibility in washer placement.
- Our Quad Coat™ cabinet protection is a four-step process that keeps your Maytag Neptune™ washer in showroom condition.

Dryer Features:

- Our high-capacity blower produces a diagonal air flow for fast and efficient drying.
- Extra-large door opening makes loading and unloading easy.
- Dura Cushion™ drum is coated to withstand a lifetime of tumbling.
- Maytag's fine-mesh lint filter is located just inside the door opening for convenient cleaning.
- Our cushioned drum suspension system means smooth and reliable performance.
