

Juggling is for Circus Performers, Not Your Investments.

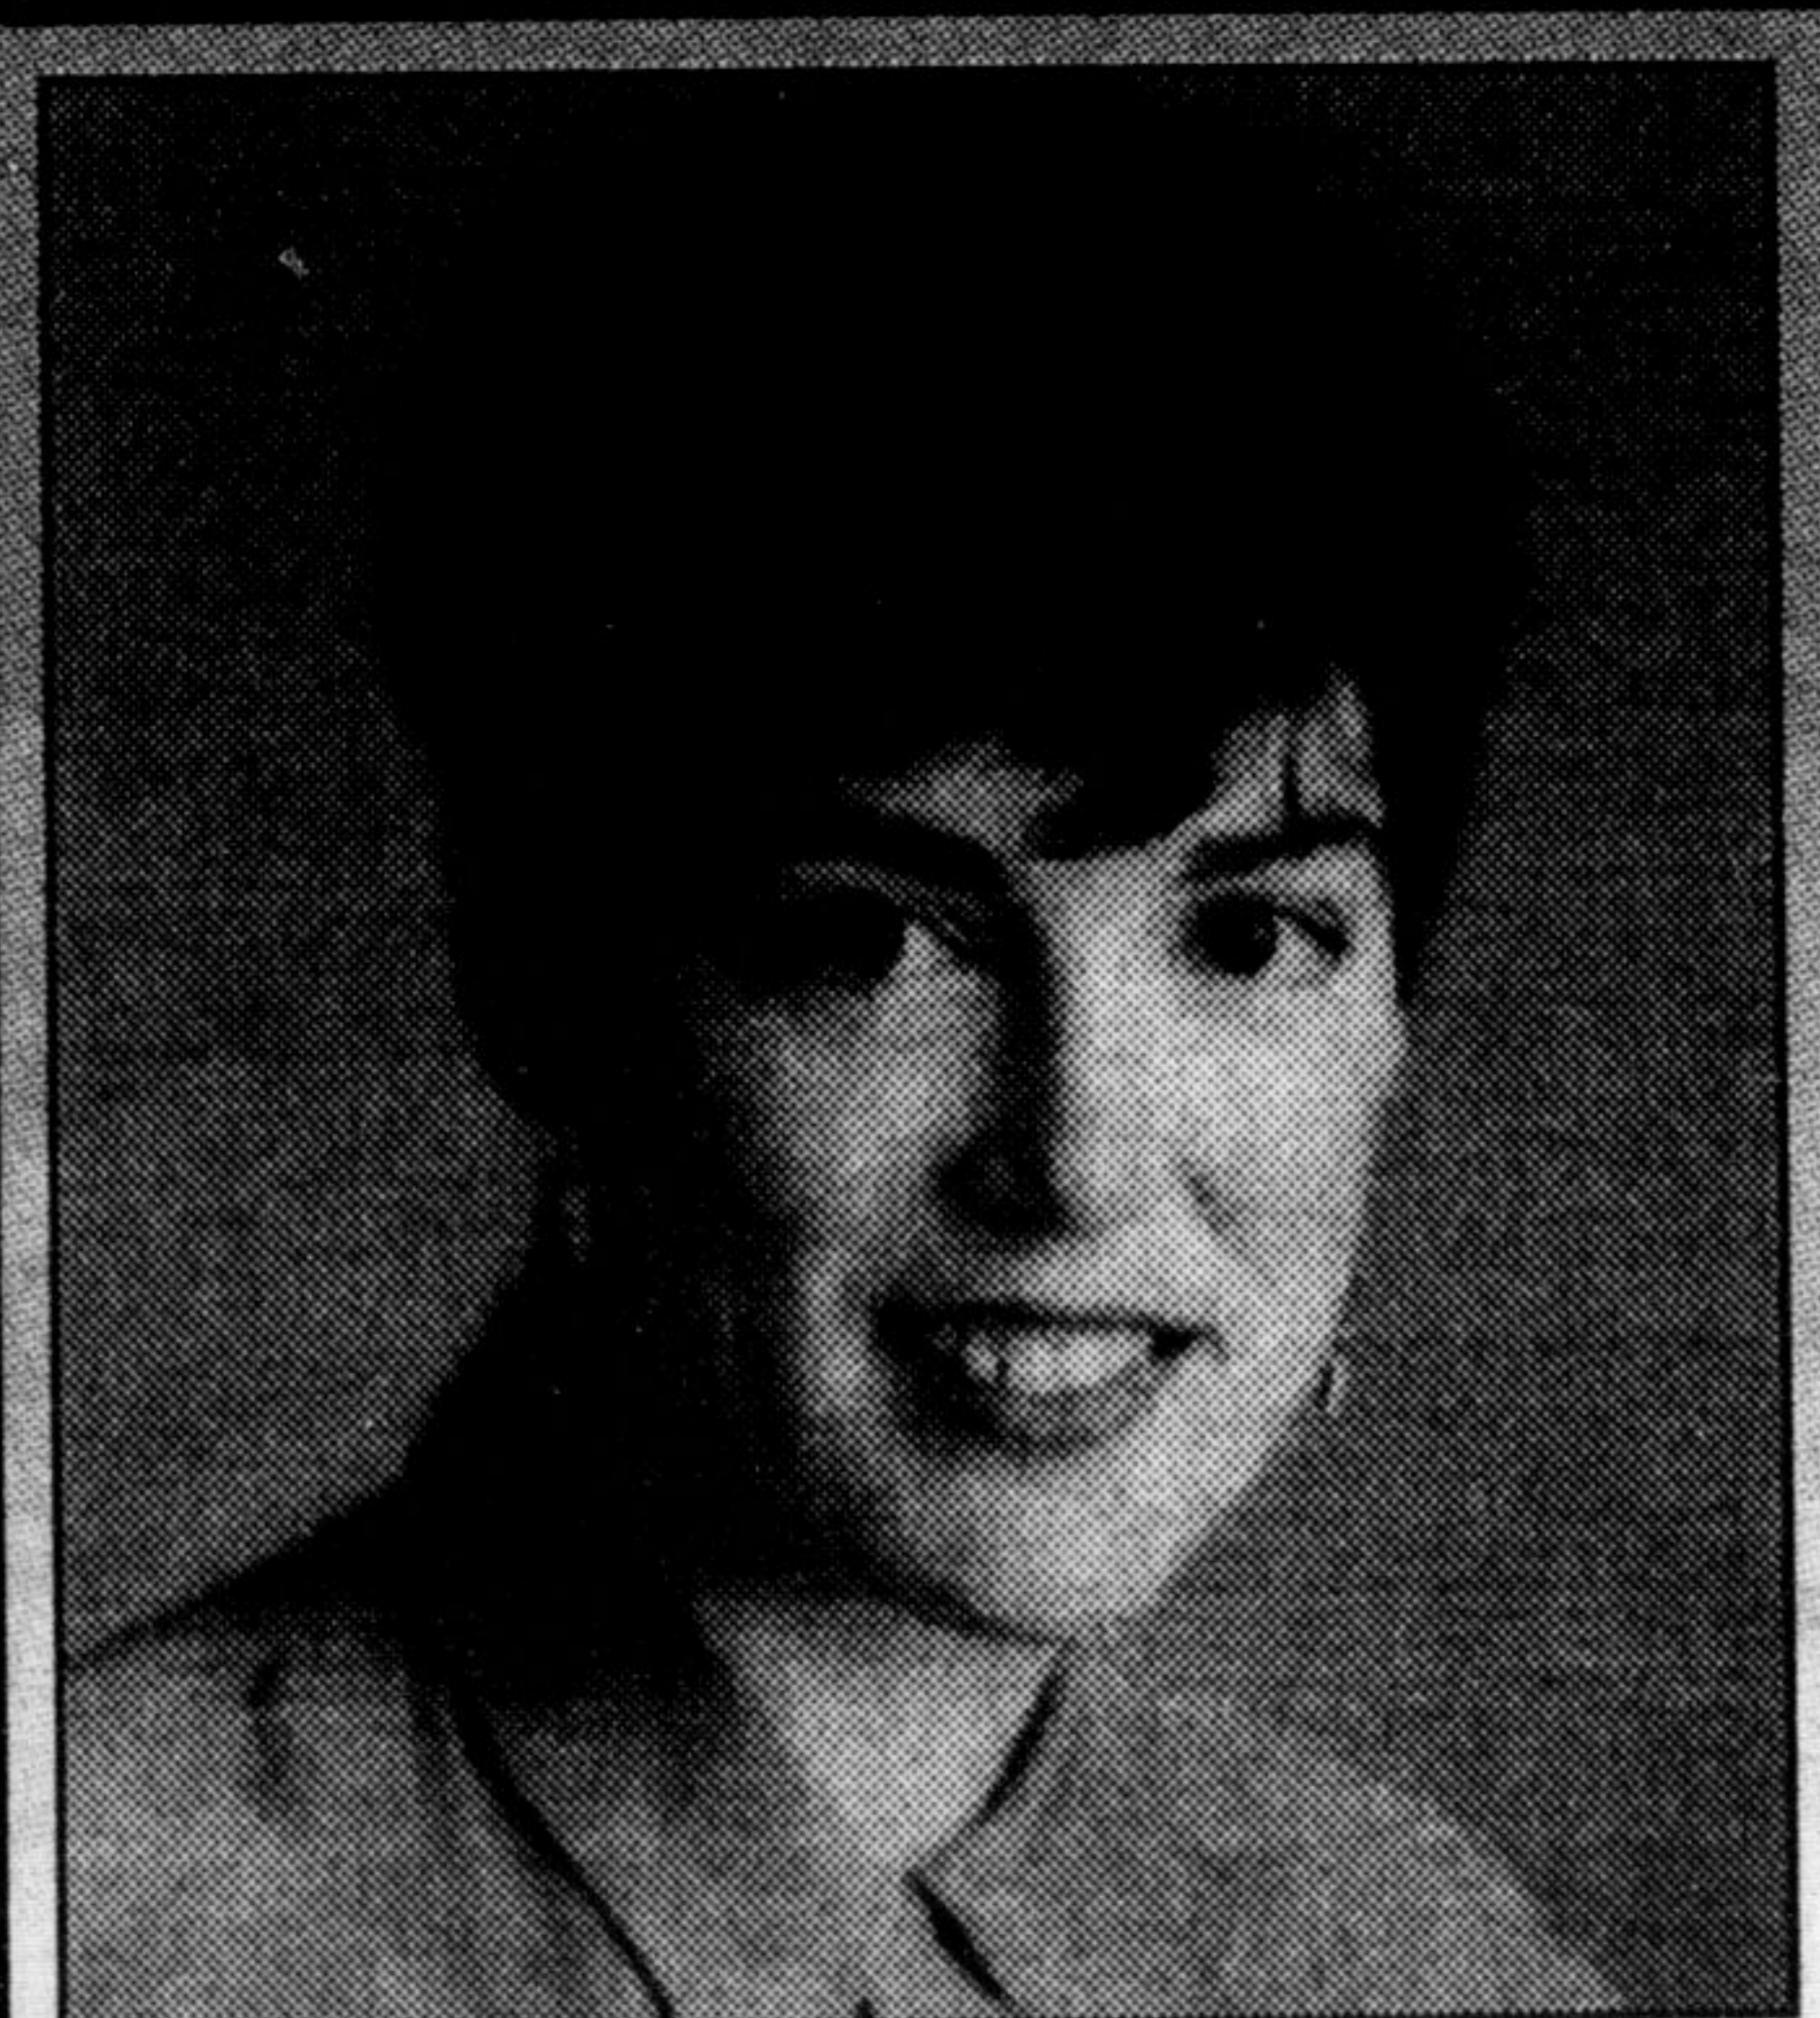

You scrambled to meet the deadline. The loan came through at the last moment. Sure, you'll get the tax deduction, but you're not even sure what you've invested in. Does it meet your objectives? Will you realize your goals? Has anyone asked you what your goals are?

Take control. Now is the time to sit down and decide what you want from your investments, and your investment advisor. My name is Melissa DeBrouwer, and I am a Chartered Financial Planner. My job is to help people plan their financial future - all year round.
