

## Eight ball, corner pocket

Halton's AAA minor peewees found themselves behind the proverbial eight ball last week, before clearing the table with an impressive comeback.

The wheels came off early in the best-of-five opening round series, which allowed their Oakville rivals to take two

of three decisions. From there, the Hurricanes regrouped to steal the series 3-2 — winning the clincher by an identical count.

Halton will now battle Brampton and Grey Bruce in a round-robin series to decide who advances to the provincials.
