Feature Business of the Week ... "Delacourts"

Laurie of Delacourts

Laurie Hartley has lived in Milton for over four years and has worked at Delacourts for about three years. When Vera, (the previous owner of Delacourts) retired in September, it came as no surprise that Laurie took over the business.

Laurie's knowledge of the business world and expertise in the "Bridal Registry & Gift and Tableware" industry are qualities that have continued the successfulness of this store.

Delacourts specializes in Denby, Royal Doulton, Wedgwood, Waterford, Oneida, Noritake and many other name brands. You can easily find something for yourself or for that special gift and free gift-wrapping and delivery is offered on all purchases.

Delacourts is one of those "Downtown Milton Shops" that offers something special. Personal service, knowledgeable staff and a wide selection of the most popular tabletop fashions and giftware are offered at competitive prices.

See Laurie at Delacourts for that something special for yourself, for all of your wedding and baby gift-giving needs...and so much more!
