

# Milton A Champion town!!

*A few of our local retailers tell us why Milton is their favourite town and why it is so important to shop local!*

### Tom "Gallinger Motors"

"For the best in service and selection, Milton is your number one choice. Quality people make the difference."

### Shelley "Bailey Heating & Cooling"

"Milton is a friendly town with lots to offer people of all ages. It has been a pleasure sponsoring local sports events, charities, etc. and without the support from our community this would not be possible. Thanks Milton"

### Robin "Wireless Connections"

"We would like to thank all of our customers for their on-going support and loyalty. We look forward to serving you in the near future."

### Bob "Sound Man"

"Sound Man has been in the Milton Business Community since 1976. A very special thanks to all of our customers and friends for making the last 22 years a great success!"

### David "Canadian Tire"

"The best things about Milton are both the people and places. From wonderful historic surroundings to the beautiful views-Milton is a great area to work, live, and enjoy life. But equal in their importance to me are the people: from our first class staff (great people to work with), to our fantastic customers (great people to work for), great friends and neighbors. Milton has the best of everything."
