Dear Neighbour,

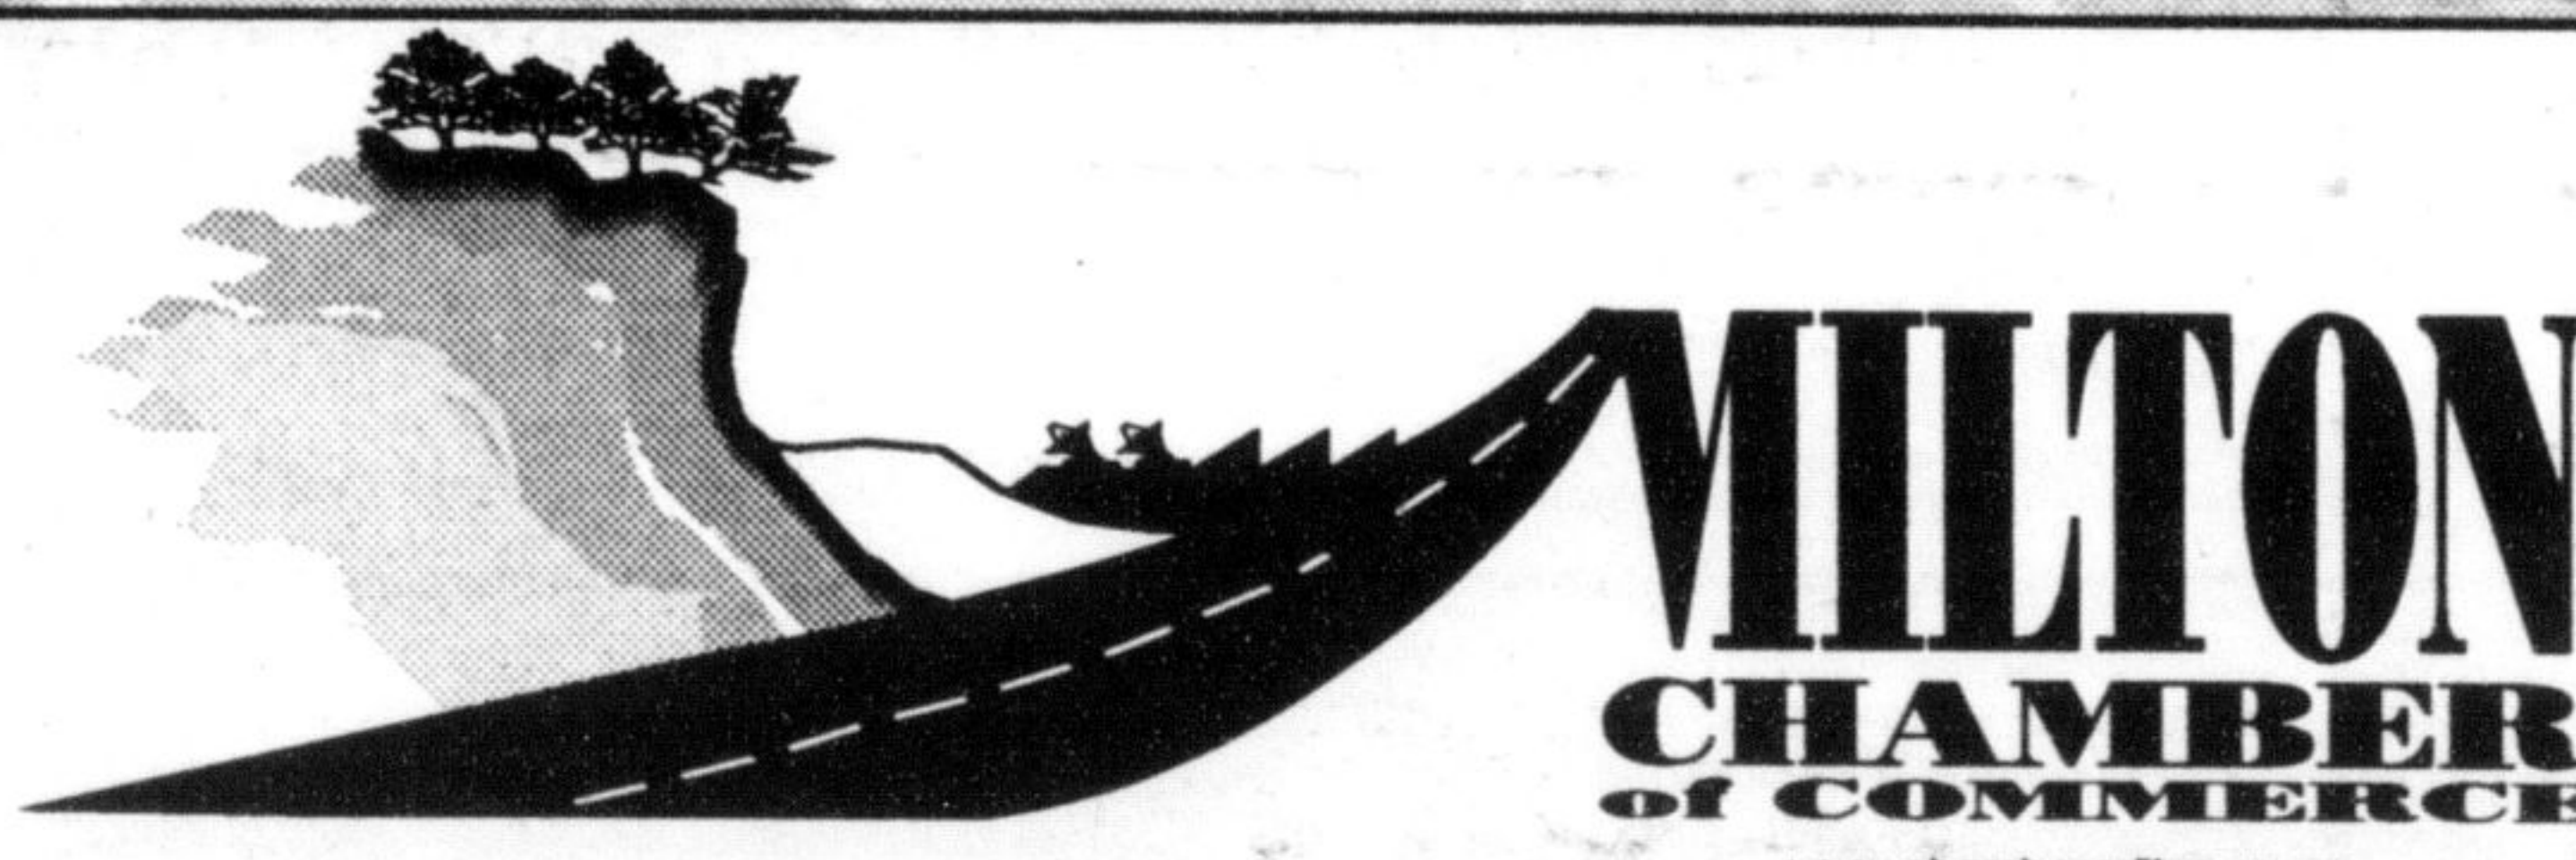

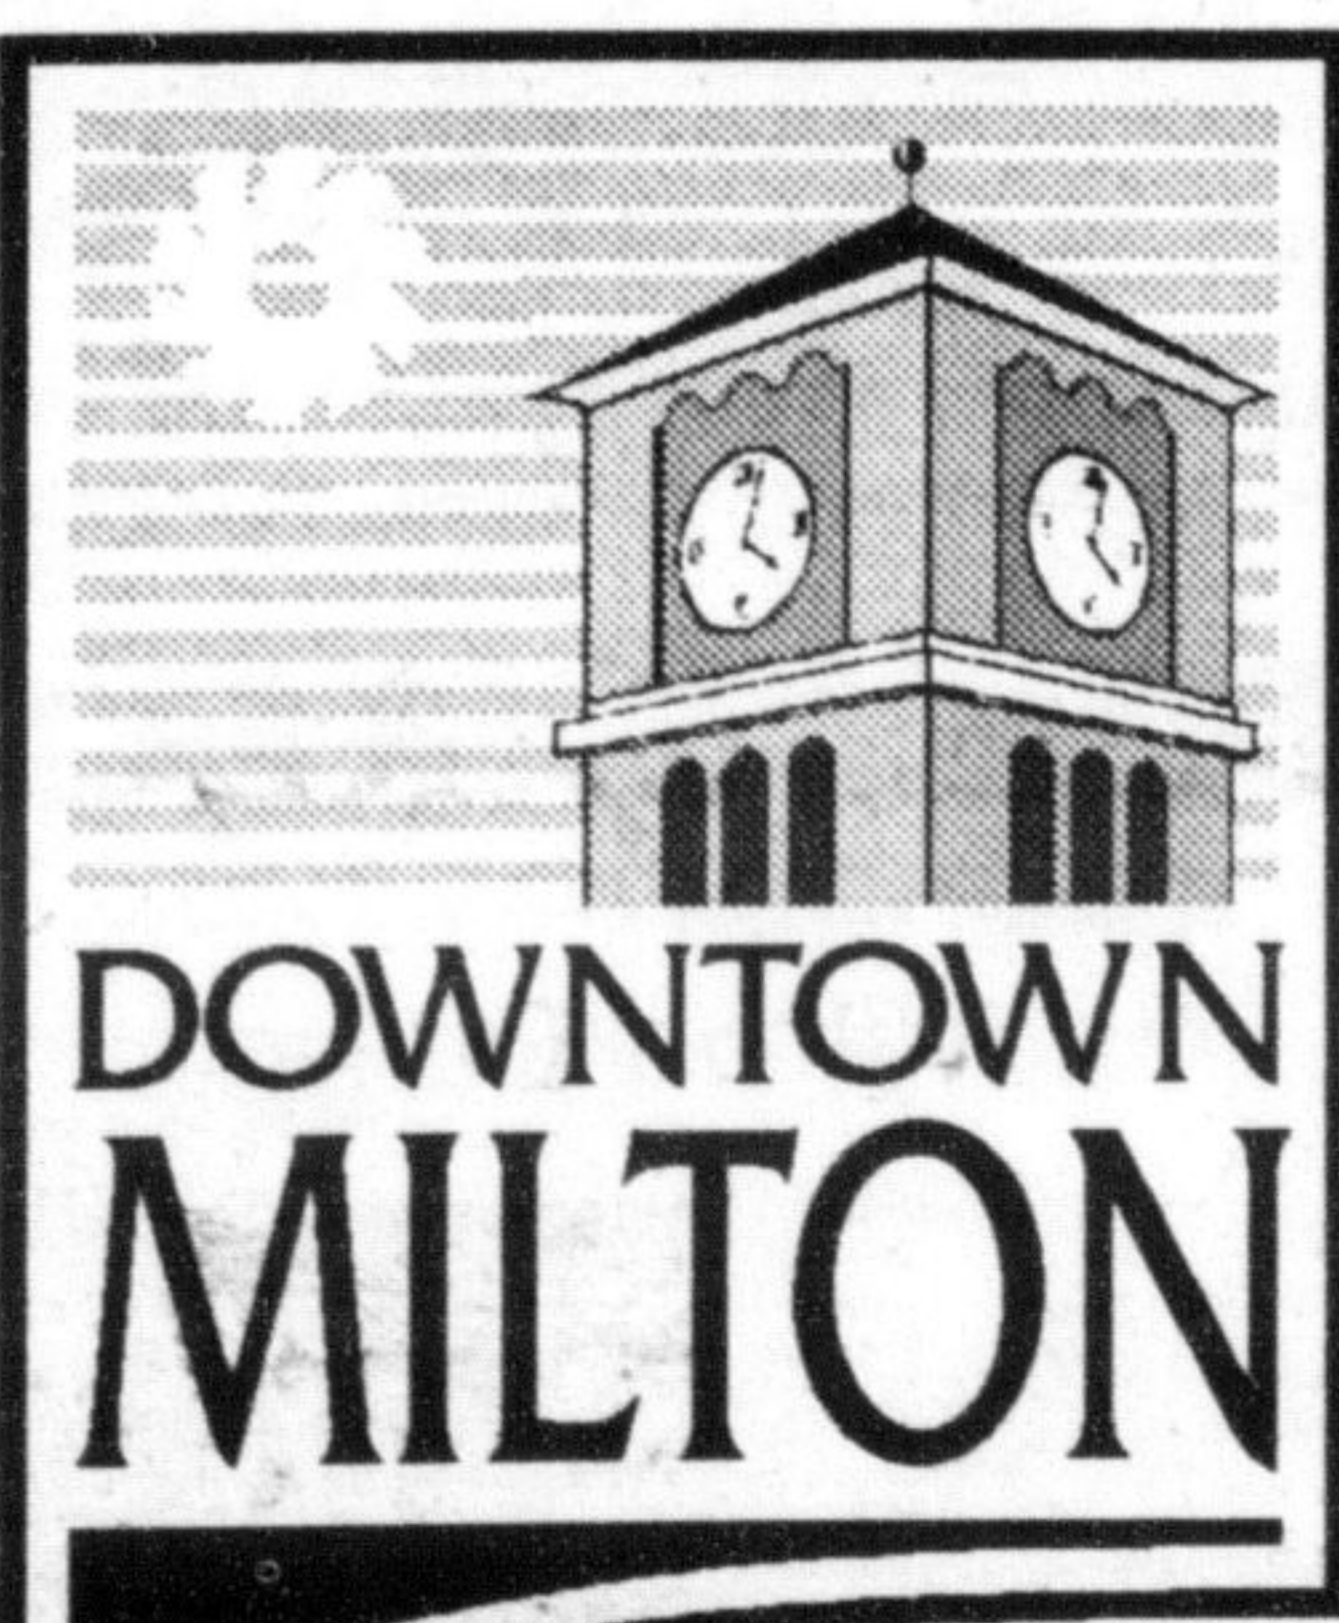

Sandy Martin
Chamber of Commerce Manager

The Milton Chamber of Commerce is an organization dedicated to promoting the well-being of the business community of Milton. We urge you to support our local businesses by shopping locally.

Milton offers a wide range of goods and services to meet the consumer's every need. Each year the Milton Chamber of Commerce publishes a Business Directory which is distributed to every home in late September. The name, address and phone number of every Milton / Campbellville business is listed in this directory. We urge you to discover what we have to offer before you leave Town to shop!

Beginning May 23 downtown Milton is transformed into a European Farmers' Market every Saturday morning between 7 a.m. and 12 noon, filled with the aroma of fresh bread, fruits and vegetables, baked goods and the sound of strolling minstrels. The Chamber has been operating this market for the past 26 years. While enjoying the market make a point of visiting the unique shops along Main Street.

Before you go out of town..... Shop Milton First!!!
