It's the people that make Milton

The grade 4 students at E.W. Foster wrote to tell us why they love Milton!

My Friends

Milton is a safe place to grow up. It is a fun place. Milton has the best school E. W. Foster. All of my friends live in Milton, and there is always stuff to do here.

My friends and I go to Laurier Park and play baseball or football. We like to swim at the Leisure Center; I love to go off the diving board and the tarzan rope. Milton has great bike paths. I can ride for miles and my mom is happy because I am safe from cars. We have a great mall, with lots of cool stores. The very best is the Library because it has a great place to sit quietly and read.

Milton Means...

LOVE because I love my home town.
PRIDE because I feel proud about where I live.
SCHOOL because I wouldn't be able to learn.
FRIENDS because I need friends to be happy.
FAMILY Because you need love and care.
All these things you can find in the town of Milton.
Thank you for listening to me.

Milton is...

Hi! Our names are Kristen and Nikki. We are going to tell you about how much we love Milton. We are nine years old and we have both lived in Milton our whole lives. Milton has a lot of nice schools, playgrounds, ball diamonds etc... Since it is a small town it is very easy for us to get around. Milton is a very nice place to live because it is a lot of fun. We love Milton and plan to live in it forever. We would like to thank the town for making Milton such a beautiful place.

Family & Friends

To me Milton means that family and friends are close to you. I like knowing that there is a friendly school to learn at. There are a lot of activities to choose from such as; swimming, tennis, soccer, and many more.

I still don't know why people grow up here and then move away. I think Milton is a great town to live in. I would never want to leave.

My Home

Milton is very important to me because it is my home. My dad was born in Ireland and he came to Canada twenty years ago, but he still calls Ireland his home. I asked him why and he told me "Ireland is where I began, and where I have all of my good childhood memories." Someday my children will ask me where my home is and I will proudly say, "my home is Milton."

I Love This Town

Milton means a lot to me, because it's a great town to live in. There are a lot of reasons why I like to live in Milton; but here are just a few...

I love it because it is a small town, when we go shopping we always run into people we know, stop and chat for awhile. When I roller blade, I feel safe. I am able to ride my bike to my friends house, I couldn't do this if I lived in a big city, because I would be too afraid that something might happen to me.

There are a lot of things to do here in Milton. I play hockey on the Milton Winterhawks Novice AA boys team. We have two arenas in town and other centers near by. There are a lot of other activities to do in Milton such as lacrosse, basketball, soccer and many more.

We have a great Leisure Center which has workout facilities, b-ball court, gym, and a huge swimming pool. Every year we get a guide telling us all the activities and when to sign up for sports.

There are lots of parks around us; but my favorite is Rotary Park because it has a tennis court and swimming pool.

I love to shop at the mall, but there are lots of interesting stores on Main Street.

In the spring, my parents take us to the Mill Pond to fish, it is so much fun!

I love Milton... it is a great town to grow up in!

Family

Milton means friends, family, animals, E.W. Foster and home. I'm glad my dad made us move to Milton, and that it was our last move until my sister and I are old enough to move out on our own. But I will probably always live in Milton.

Friendly

Milton means a lot to me. Why you ask? Because Milton is full of friendly people. I also enjoy going to all the different facilities Milton has to offer, there is the Leisure Center and there are two great sports arena's Thompson and John Tonelli. The one thing that tops them all, is the Fall Fair! I always go to the Crash Derby and I go on all the rides I possibly can. I look forward to going to the Fair this Fall.

Best Friends

Milton is a nice and kind, it is a great place to grow up in. The library has good books. The Leisure Center or Rotary Park are great places to go on a hot summer day. The things I like best are my house and my friend Robin, sometimes Robin and I go to the library, or we go to the Leisure Center. Most of the time we just play at my house, or hers.
