

Milton A Champion town!!

A few of our local retailers tell us why Milton is their favourite town and why it is so important to shop local!

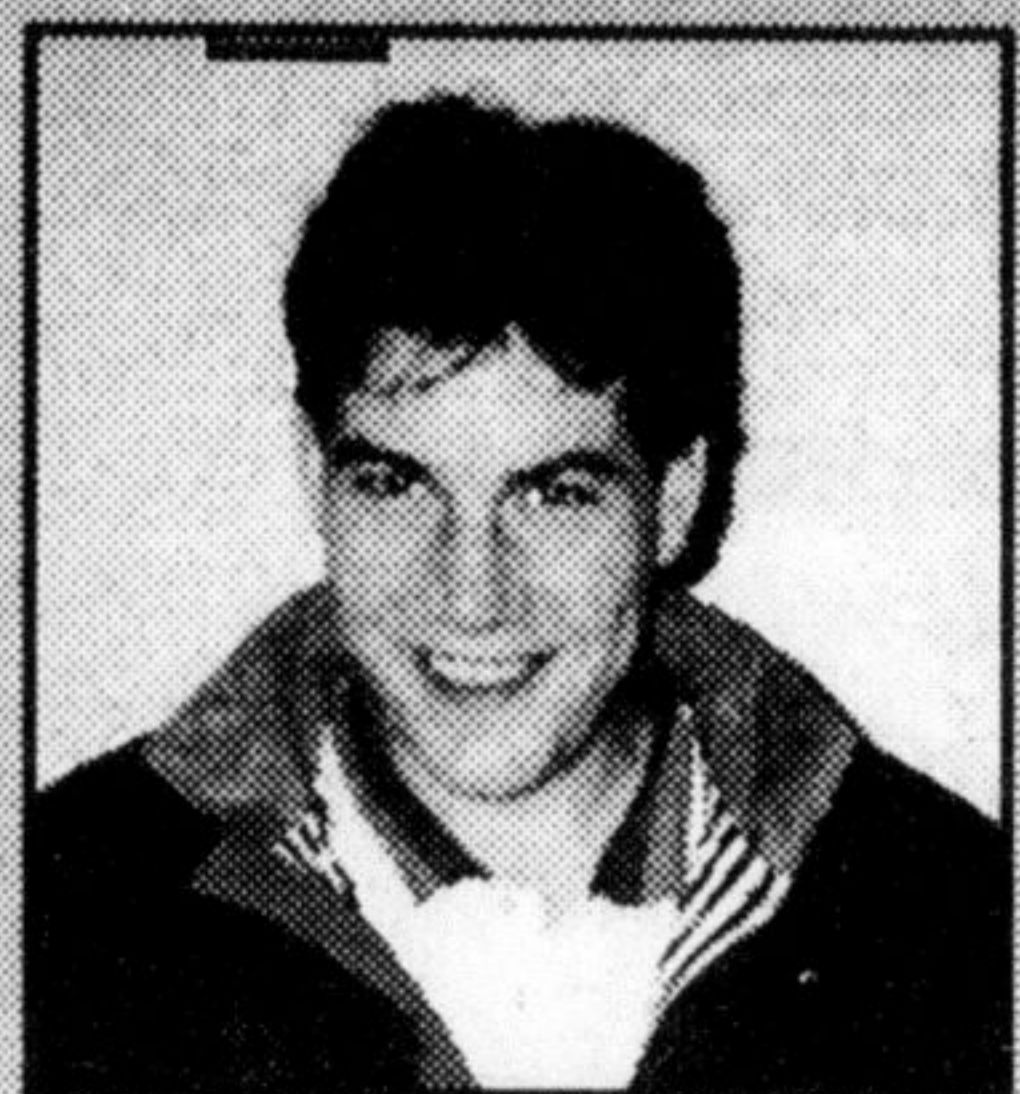

Betty "My Sister's Closet"

"Milton is wonderful town to own a business in! The smaller population allows us the opportunity to get to know our customers on a personal basis. It's great when they stop by just to say Hi!"

Fiona "Nature's Fire"

"Because you really get to know your customers, both in the store and on the kid's playing field."

Chris "Halton Grounds Care"

"Shopping in Milton lets the customer receive the small town personal service they should. We enjoy getting to know our customers on a more personal level."

Terry Rowley "Terry Rowley Mechanical Inc."

"It's a friendly town and it's a great place to live and do business."

Roger "The Dickens"

"Working in Milton is like not even working at all! Our customers are friends to us, we really enjoy their company, the great people in Milton make it a real pleasure to run a business here!"
