"THE REAL AUTO PARTS PEOPLE"

625 MAIN ST., Milton (905) 875-0101

Very few automotive service garages and collision repair centres can stock the replacement parts, tools, and related supplies or accessories needed to keep your vehicle in good mechanical condition. **UAP/NAPA AUTO PARTS** fulfills their requirements by offering an efficient counter service & quick delivery service throughout the area, ensuring that service bays and hoists are not held up unnecessarily, minimizing downtime.

**UAP/NAPA AUTO PARTS** can boast of an extensive inventory of replacement parts and performance parts, featuring many nationally recognized brands as well as many premium quality parts marketed under the UAP/NAPA label. The over 130,000 parts available meet or exceed original equipment manufacturers specifications, and are supported by a nation wide consumer warranty.

Many common hand tools, marketed under the Ultrapro label, come with a lifetime warranty. There's also the exclusive Bodypro line of auto body & painting supplies.

The local **UAP/NAPA AUTO PARTS** store has a history dating back to 1974. As of March 1995, the store has been privately owned by **PAUL BARBER & DUNCAN ACKERMAN**.

This is a UAP/NAPA associate store, and one of over 650 UAP/NAPA stores, among over 4,000 points of sale.

UAP/NAPA's Autopro Associate Program is the nation's largest network of automotive professionals with over 700 Autopro locations.

Many other automotive service centres, numbering in the thousands, have chosen to become UAP/NAPA Member/Installers or Certified Body Shops.

**HALTON GROUNDS CARE EQUIPMENT**  
 FOR EXPERIENCED SERVICE & THE LATEST TECHNOLOGY

1589 STEELES AVE. E., Milton (905) 878-2121  
 (east of Fourth Line, just west of James Snow Pkwy.)

If you are considering the purchase of a lawnmower this year, consult **HALTON GROUNDS CARE EQUIPMENT** to carefully match equipment to your needs for fast, efficient lawn control.

**JOHN DEERE** walk-behind lawn mowers offer multi-position wheel height adjustment, environmentally friendly mulching capability, as well as their own drive systems so all your really have to do is "walk behind". The use of 4-stroke engines has eliminated the need to pre-mix gasoline with oil, and created a quieter machine.

If you have a larger estate or simply want to minimize the time required to maintain the lawn, you may want to consider the rider mower or compact tractor with mower attachment. Many compact tractors will drive optional equipment such as snow throwers, allowing their use throughout the year.

The **JOHN DEERE** consumer lawn & garden line includes compact lawn tractors, rider and walk-behind mowers, tillers, trimmers, blowers, and snowthrowers. **HALTON GROUNDS CARE EQUIPMENT** also handles **JOHN DEERE** skid steer loaders, **KUBOTA** mowers, and **WALKER** mowers.

A simple and effective way of making your current equipment more reliable is with an annual maintenance check and tune-up. General manager **CHRIS HARE** or one of the staff at **HALTON GROUNDS CARE EQUIPMENT** can give you an estimate of work required on your power equipment and provide repairs using genuine parts & factory trained service. If a replacement or upgrade is a more feasible option, **HALTON GROUNDS CARE EQUIPMENT** can help you choose something that will suit your needs and price range by offering honest advice.

## LUBE IT

FAST, INEXPENSIVE SERVICES TO EXTEND YOUR VEHICLE'S LIFE

925 MAIN ST. E., Milton (905) 878-8595

One of the most inexpensive and simplest ways to prolong your vehicle's life is to have your oil and filter changed every 3 months or 5,000 kilometres, at **LUBE IT**. It will reduce engine wear, help the cooling process, eliminate corrosive sludge and much more. Their chassis lubrication service will ensure that front end and steering parts operate efficiently with minimum wear and corrosion.

Service at **LUBE IT** takes about 10-15 minutes and is very convenient. You simply drive in with your vehicle, and watch as it's done...no surprises or hidden charges. You then drive out when service is completed. The "no lift" service allows them to accommodate cars, trucks, RV's, and even custom vehicles.

**LUBE IT** can provide a "hot change" with warranty approved lubricants and filter. Between the under car "pit" technician and upper level service technician, they will also provide complete chassis lubrication, and a comprehensive multi point visual inspection of all fluid levels and other vehicle points that require regular maintenance such as air filters and crankcase ventilation filters. Additional maintenance services include No Drip rust protection oil spray for new or used vehicles. Auto Clean services include exterior hand wash & wax, interior steam cleaning, and engine shampooing.

**LUBE IT FAST OIL CHANGE CENTRE** opened locally in 1979 and is owned by **WAYNE MCGINNIS** and **DARRYL FARR**.

Visit **LUBE IT** on a regular basis and enjoy fast, inexpensive maintenance for your vehicle.
