The Champion

There's nothing like a convincing win over the defending league champs to kick-start a season in style.

Last Friday night at Tonelli Arena the Jr. B Mavericks managed just that with a 13-8 triumph over the Six Nations Red Rebels.

Milton enjoyed a surprisingly sizable crowd (considering the Merchants were playing for the All-Ontario title across town) plus 3-1 and 7-3 period leads en route to victory. The team has not lost a season opener in its four-year history.

Captain Andrew Hartholt lit

handful of assists to go with his third-period tally.

Leworthy maintains his team defenders. will sport a whole new level of scoring depth.

"I split Andrew and Jimmy up and will probably keep them apart. With the depth I've got I can afford to do that and teams won't know who to focus on."

to a waiting Jim Henhawk, who had only to trot in for a bottom shelf breakaway goal early in the second.

Eansor was steady between the pipes the rest of the way.

"We've got a few kinks to work out like discipline and rookie errors, but it's nothing to worry too much about," Leworthy added.

Maverick newcomer Russ Fleming, who last played with the Mississauga Jr. A's, posted a goal and an assist as did returnee Bryan Jackson.

Craig Hedley and Cory Leigh

tallied twice and added two helpers each. Ian Parker collected four assists.

The. Mavericks continue a three-game home stand tonight (Friday) when they host the Elora Mohawks at 8 p.m. Sunday at 2:30 p.m. they do battle with the powerhouse Spartan Warriors.

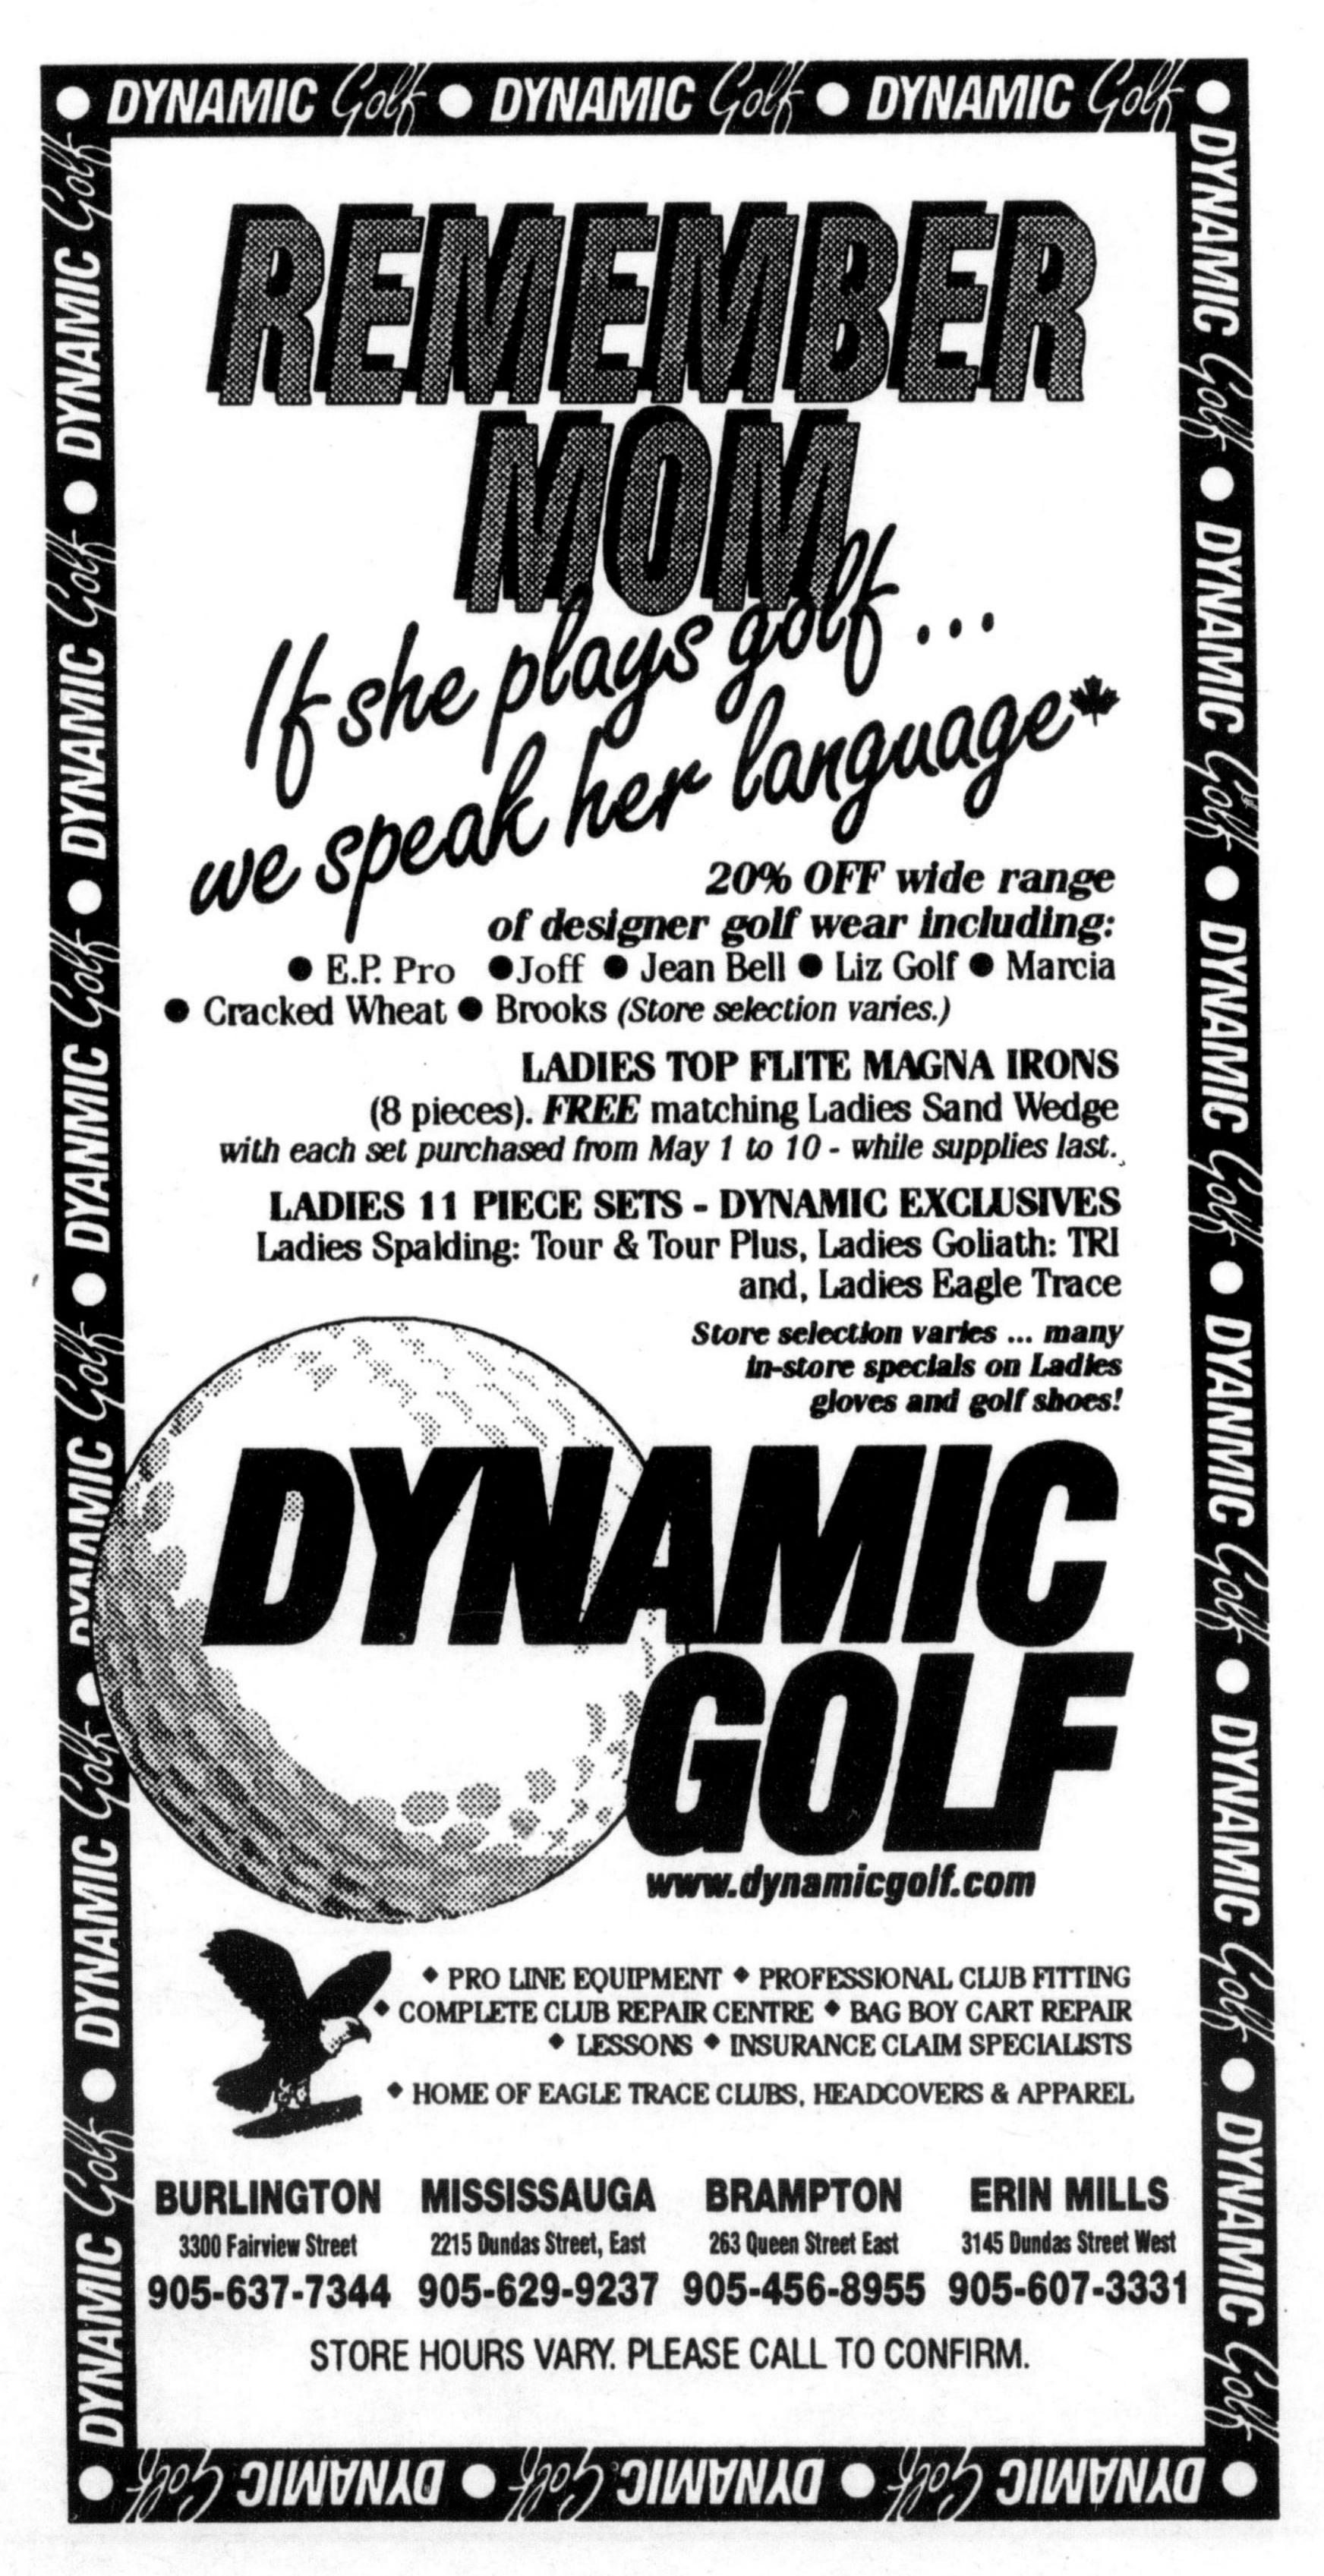

Maverick notes: Local rookies Jason Ford and Kaegan Sherriff dressed for last Friday's home opener. Sherriff drew an assist on their final goal ... Milton's Mike DeBoer backed up Eansor.
