**NOTICE**

To all Interment Rights Holders  
In Milton Evergreen Cemetery

This notice is to inform you that the Board of Directors has instructed the cemetery staff to remove all artificial flowers from the cemetery. This was done because of a large number of complaints that we received last year with regard to pieces of artificial flowers blowing around the cemetery and being shredded by our lawn mowers.

The artificial flowers were saved and marked with the Interment Rights Holders name and placed behind the green garage at the north west corner of the cemetery.

We will hold the flowers until the first of July and then we will dispose of them.
