## Circus sales not done by Halton cops

The Halton Regional Police Service wants the public to know it isn't associated with a circus fundraiser for the Police Retirees of Ontario.

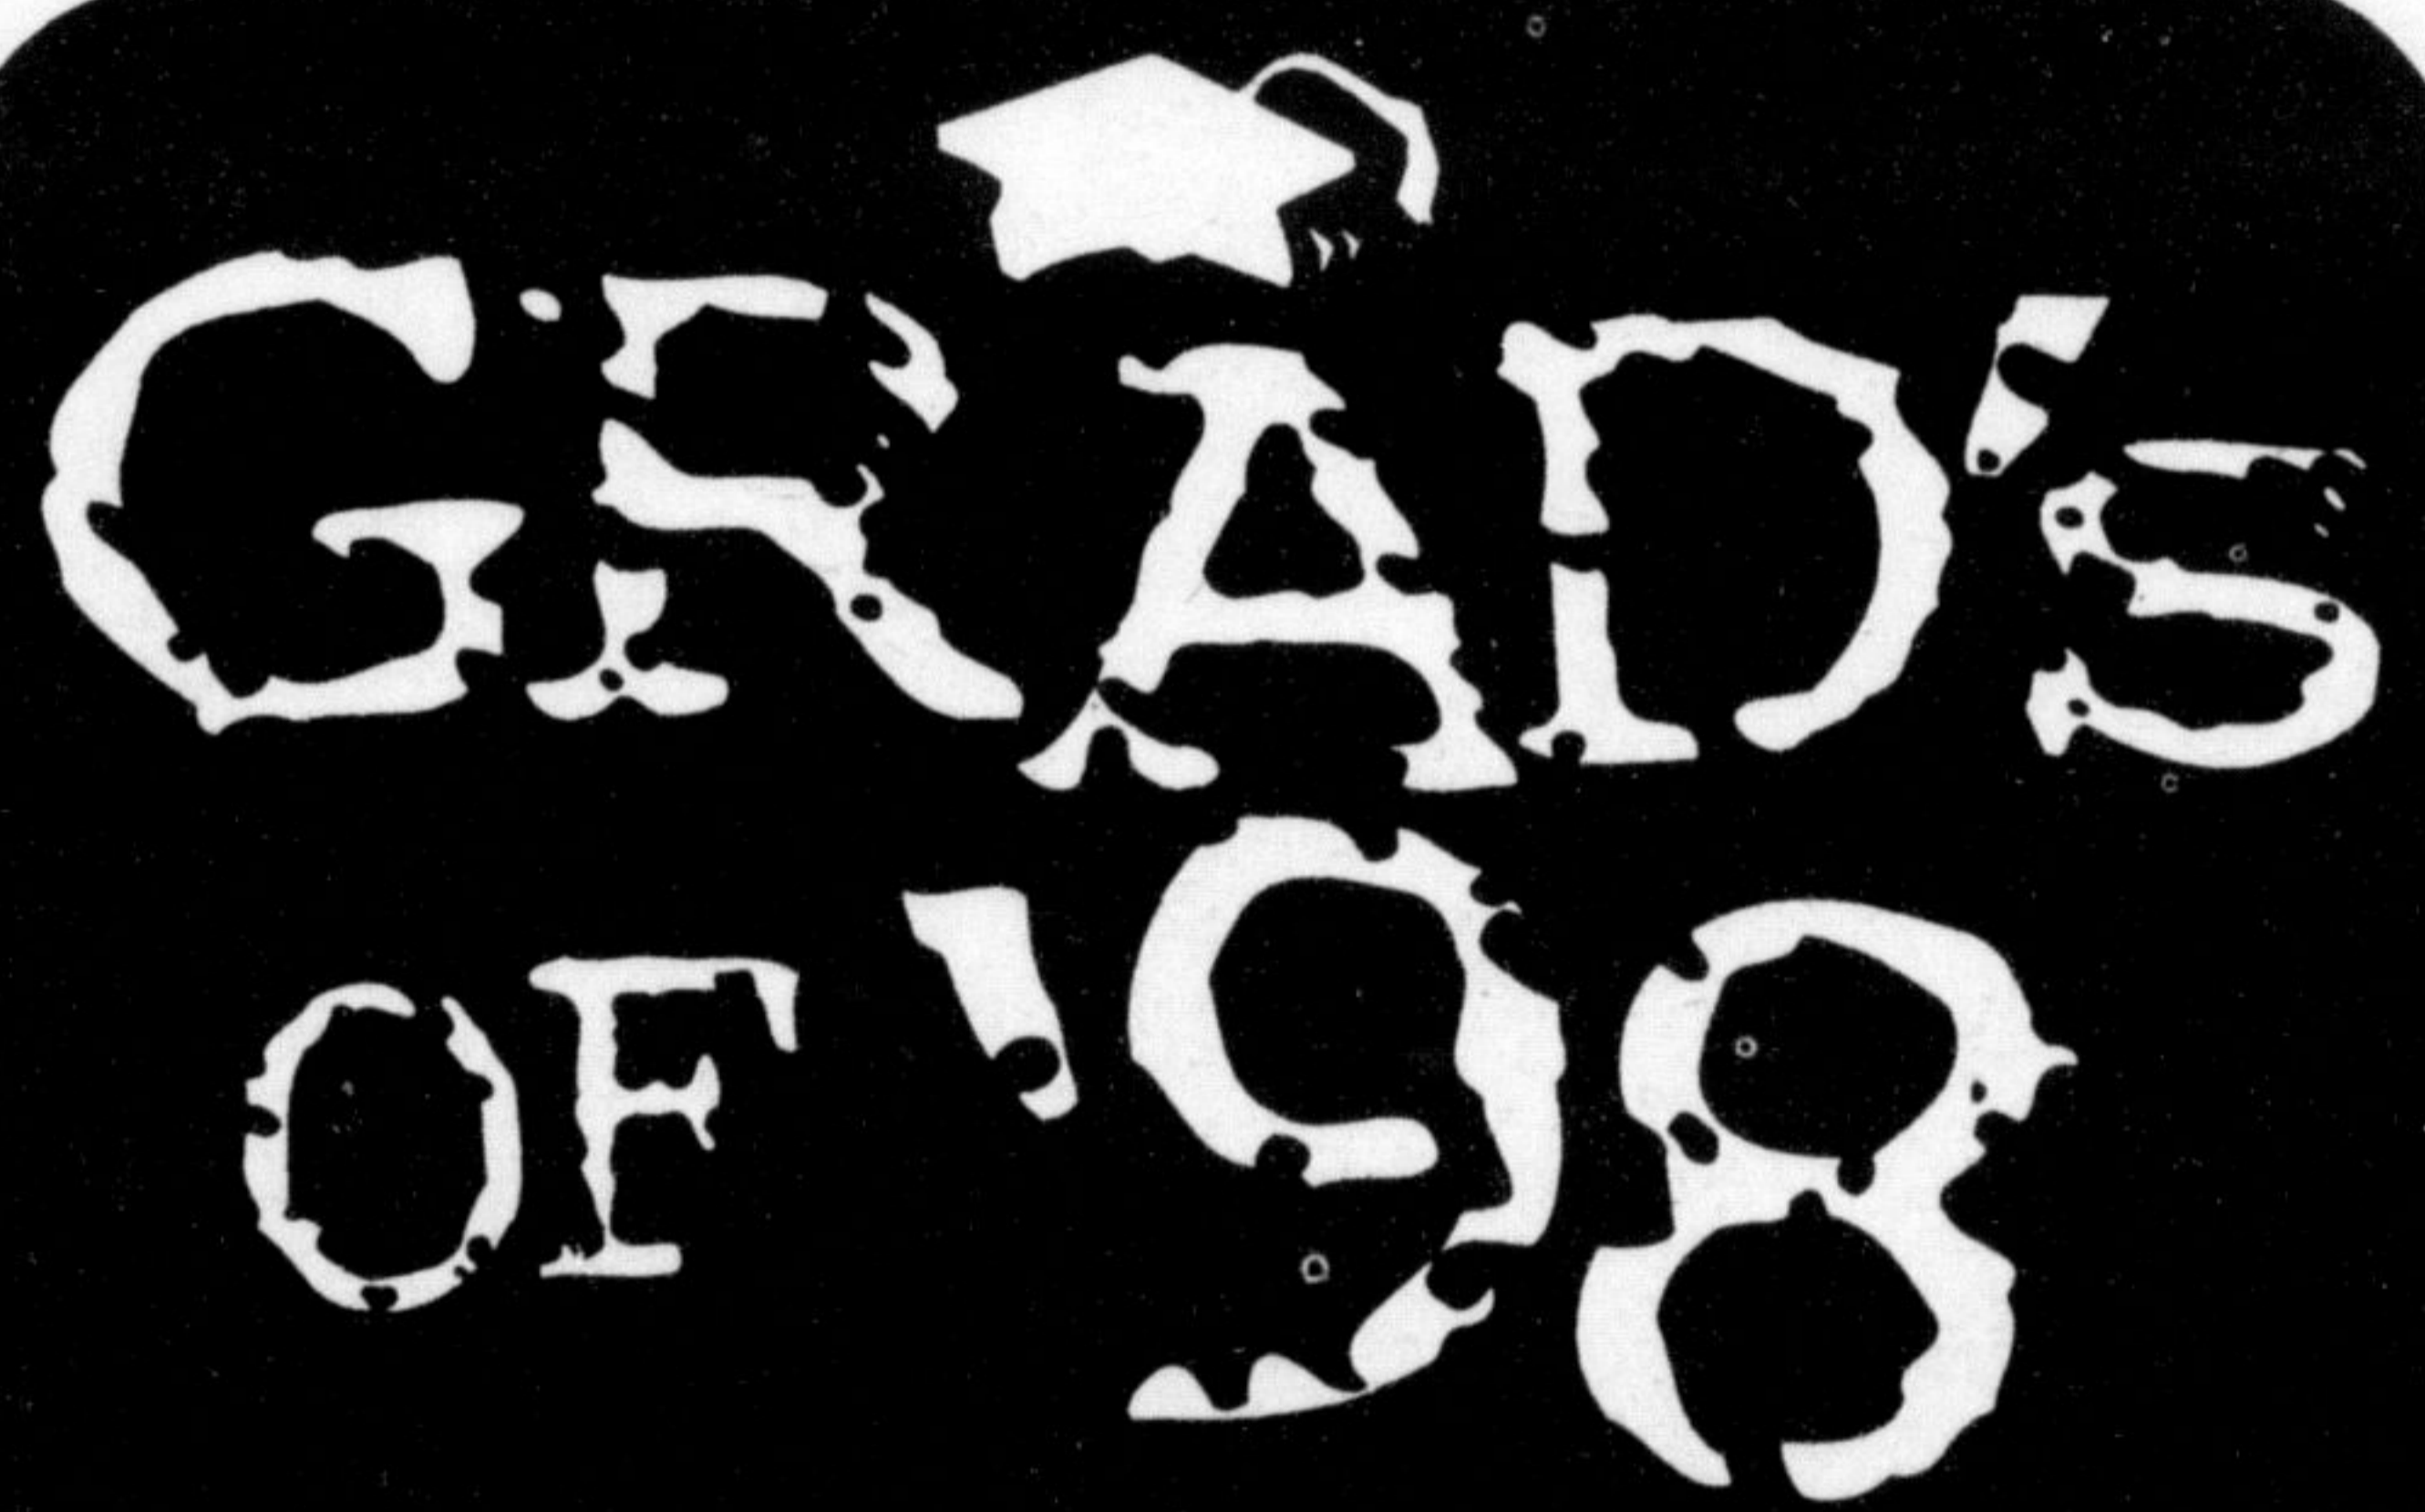

Police have received several phone calls from the public inquiring about the organization, which is currently soliciting funds in the region for a circus to be held later this year.

"We want the public to be aware that this organization is in no way affiliated to or endorsed by the Halton Regional Police Service," said Sgt. Frank Phillips.

"We wish to remind the consumer that when making any purchase they should be aware of what they are purchasing and where their money will go."
