GOT 'GOLF FEVER'?

'THOSE WHO DON'T HAVE IT - DON'T GET IT', is the saying around the many folks who get 'golf fever' - an obsession which grabs many of both the male and female populace across our great land! Chasing a tiny ball with a stick across fields, lakes and sand (plus in and around trees, etc.) seems absurd to many! Tough to understand for some, but nevertheless enthusiasm for the game is there, with the continual building of new golf courses throughout our area, along with driving ranges, indoor facilities, and countless instruction opportunities, it merely sets the stage for the next step - A GOLF VACATION PACKAGE! And there are many offerings in this department as more and more tour companies have a variety of offerings, including the popular all-inclusive packages - time to get looking to make your plans for next winter - or go now - the rates are great!

A 'SKYHIGH' BALLOON FESTIVAL is taking place July 17, 18, 19 at Burlington Airpark. It is described as a FAMILY FESTIVAL OF AIRBORNE MAGIC, and offers a variety of on-ground activities along with the very colourful in-air portion. Child's play area, crafters' market, live entertainment, and foods and beverages are there for the choosing. A different kind of outing for the summer - more than just 'hot air' as in balloons - sounds interesting!

???

DID YOU KNOW: The game of golf actually started about 700 years ago on the east coast of SCOTLAND (a good place to go for a golf outing!) when A COUPLE OF BORED SHEPHERDS USED THEIR 'CROOKS' TURNED UPSIDE DOWN AND HIT 'SHEEP DUNG' INTO RABBIT HOLES!

TRAVEL TIP OF THE WEEK: You can contact home via e-mail nowadays from just about anywhere - you can use a neighbor, or a business address, if you don't have your own address - it is very economical to 'buy' some time on a computer/Internet link on the road.
