Haydar is league top gun, named Player of the Year

By STEVE LEBLANC
The Champion

The Milton Merchants' most prolific goal scorer closed the books on an illustrious career by winning the most-sought after individual player prize in Ontario tier 2 junior hockey.

While more of a formality than anything else after such a sublime season, Darren (Mini) Haydar was officially named the OHA Jr. A Player of the Year Saturday during an annual awards gala in Belleville.

Although fellow candidates Ryan Penney of Bowmanville and Syracuse's Matthew Murley were certainly outstanding this past year, Haydar's accomplishments made him an overwhelmingly popular choice for the award.

Darren Haydar

The 18-year-old right winger breezed to the Provincial Jr. A League scoring title while placing himself second on both the all-time goals and total points leader board with 71 and 141 respectively.

Former Barrie sniper Steve Walker sits ahead of him in each category.

Mini also became just the fifth player in league history to post back-to-back 100-point seasons. His scoring surge won him the West Conference MVP award as well as the captain's 'C' for the West Conference All-Star team.

Equally outstanding through the playoffs, he amassed 25 goals and 25 assists in 28 games — an accomplishment which made the OHA selection committee's decision that much easier.

Haydar — who was vacationing in Aruba Saturday and unable to attend the ceremony — earns a \$500 bursary as OHA Jr. A Player of the Year, which will come in handy this fall when he begins a four-year stint at the University of New Hampshire.

He'll attend the Division 1 school on a full scholarship.

Podd gets first win of year

Milton's Mike Podd took advantage of the pole position to earn his first win of the year in the Canadian Vintage Modified class at Flamboro Speedway Saturday.

The veteran racer took the lead from the onset but was overtaken on the outside early by rookie Joe Arsenault of Burlington.

Hounding his south Halton rival, Podd re-took the frontrunner spot on lap four and held on for the victory — despite a strong challenge from Oakville's A.J. Roper.

Wheller was fourth

Andy Wheller of Milton padded his season points lead in the Street Stock division with a fourth-place finish Saturday.

He finished behind winner Gord Farnsworth of Flamboro and runners-up John Lammers and Brad Rodwell of Burlington and Caledonia respectively.

The Action will continue this Saturday with OK Tire Fan Appreciation Night.

The gates will open at 5 p.m. and racing will get underway at 7 p.m.
