

What I want to be when I grow up!

I want to be a fashion designer when I grow up because I like to go shopping for clothes. I plan on being a fashion designer when I'm 25. I hope I can make bathing suits and dresses. I hope people like the bathing suits and dresses I make and maybe I will make skirts and kids clothes. I just can't wait until I see all those fashion models go down the aisle with my designs on.

I want to be a soccer player

when I am grown because soccer is my favorite game. I plan on playing soccer when I'm 20. I hope that I can play goalie so I can save the ball from going into the net.

When I grow up I would like to be a forest ranger. I could fight forest fires and save animals from dying and having their homes burned down. My job would be very important because trees give us air and oxygen. My life would be

relaxing as a ranger because forests provide a peaceful resting place.

When I grow up I want to be a horse trainer so I can help with horses at the farm on Trafalgar Road. I will train horses all day long at the farm. I will work until 6:00 and I will come home at 7:00 and I will get up at 8:00 in the morning and I will ride a horse at the farm.
