Thank You

To all the wonderful people of Milton, who on reading our ad to say that we're moving, came in and said such very kind things encouraging us to try to stay.

You have "MOVED" us and we wish you to know that we do not want to leave this area, the town, or the people. We intend to take every opportunity to try to re-locate here in Milton. If you have ideas that might help, come on in and share them with us.

Again, Thank You for your kindness.

Sincerely,

THE
