# Pet greyhound may have been shot

Police are investigating the suspected shooting of a pet dog at a No. 15 Sideroad home June 13.

The owner of the greyhound heard the canine yelp as it ran around the side of the home.

The pet was found with one of its hind legs bleeding and swollen, said Acting Det. Sgt. Kim Duncan of Halton Regional

Police. A veterinarian determined a hole in the animal's leg was the result of a projectile, possibly from a pellet gun.

But the owner heard no gunfire nor saw anyone in the area.
