How does he do that?

Virginia Stonehouse was mesmerized and mystified during a sword swallowing performance by Johnny Fox, one of many entertainers at the Ontario Renaissance Festival, which is open for two more weekends this summer.

Temporary skating park set to open at arena on Monday

The wait is almost over for local skateboarders. Temporary skateboard park facilities are now being erected in the Milton Memorial Arena parking lot and will be ready for use by Monday.

The interim park — featuring a six-foot pyramid and three corner ramps with various pitches — will be open daily until late September.

At that time a permanent indoor facility will hopefully be in place beside Charley Fitzwhiskey's on Ontario Street.

Fundraising efforts for the local skateboard park continue tonight with an all ages concert at the Lions Hall (upstairs at Memorial Arena). Tickets are \$10, with the tunes slated to start at 6 p.m.
