IT'S WORTH THE DRIVE TO ACTON!

AN AFTERNOON OF ENTERTAINMENT is taking place THIS SUNDAY in DOWNTOWN ACTON as they celebrate their ANNUAL LEATHER-TOWN FESTIVAL! Known throughout the world as the Leather Capital of Canada for many years (courtesy of Beardmore and Company - a major leather treater and supplier in years gone by) and more recently by 'The Olde Hide House' advertising, the town is proud of its heritage, and this event is one way they celebrate it! A CHILDREN'S VILLAGE, face painting, pony rides, craft shows, buskers, singers, dancers, bands, - something for everyone - 11 AM to 5 PM - just show up - no charge!

WALT DISNEY WORLD RESORT IN ORLANDO (or DISNEYLAND in CALIFORNIA, or on DISNEY CRUISE LINES) is the PLACE TO GO, and AIR CANADA VACATIONS and AMERICAN EXPRESS are THE WAY TO GO to get there! Up until August 15th (only a few days left!) if you book to go there, (you can travel when you want to) you will receive some additional benefits in the way of savings plus US\$\$ to spend for you and your family - you need to make arrangements through an American Express Travel Services office, plus having an American Express Card gives extra good bargains! With the 'loonie' value as it is at the moment - sounds like a good idea to take advantage of!

THE LARGEST HOTEL IN ISTANBUL? Well, not only the largest hotel in Istanbul, but also is the LARGEST RESORT HOTEL in any of the MEDITERRANEAN PORTS she is visiting this summer - or at those CARIBBEAN ISLANDS she will visit this winter; it is THE GRAND PRINCESS - the 'largest ship afloat' costing some \$US450 million, weighing over 109,000 tons, holding 2,600 passengers. Described as 'awesome' and 'overwhelming' when first seen, she is an exceptional vessel with so much to offer with all her new innovations - like a 'resort city on the water.' A 'must-see,' and more important 'must-do' - another of the super offerings in the ever-expanding world of cruises.

TRAVEL TIP OF THE WEEK: Have luggage tags on all bags when travelling - but with name inside the tag for privacy, not on the surface.

Number of Milton fatal crashes disturbing, says staff sergeant

• from HALTON'S on page 4

So far this year, people have died in three crashes in Milton - again on rural roads.

Two of the three happened recently within two weeks - one at Britannia and Trafalgar roads July 23 and the other at Derry and Trafalgar roads August 1.

The numbers are on par with last year's figures, which show a total of six crashes that claimed lives.

Staff Sgt. Smith said numerous other accidents "could have been fatalities just as easily."

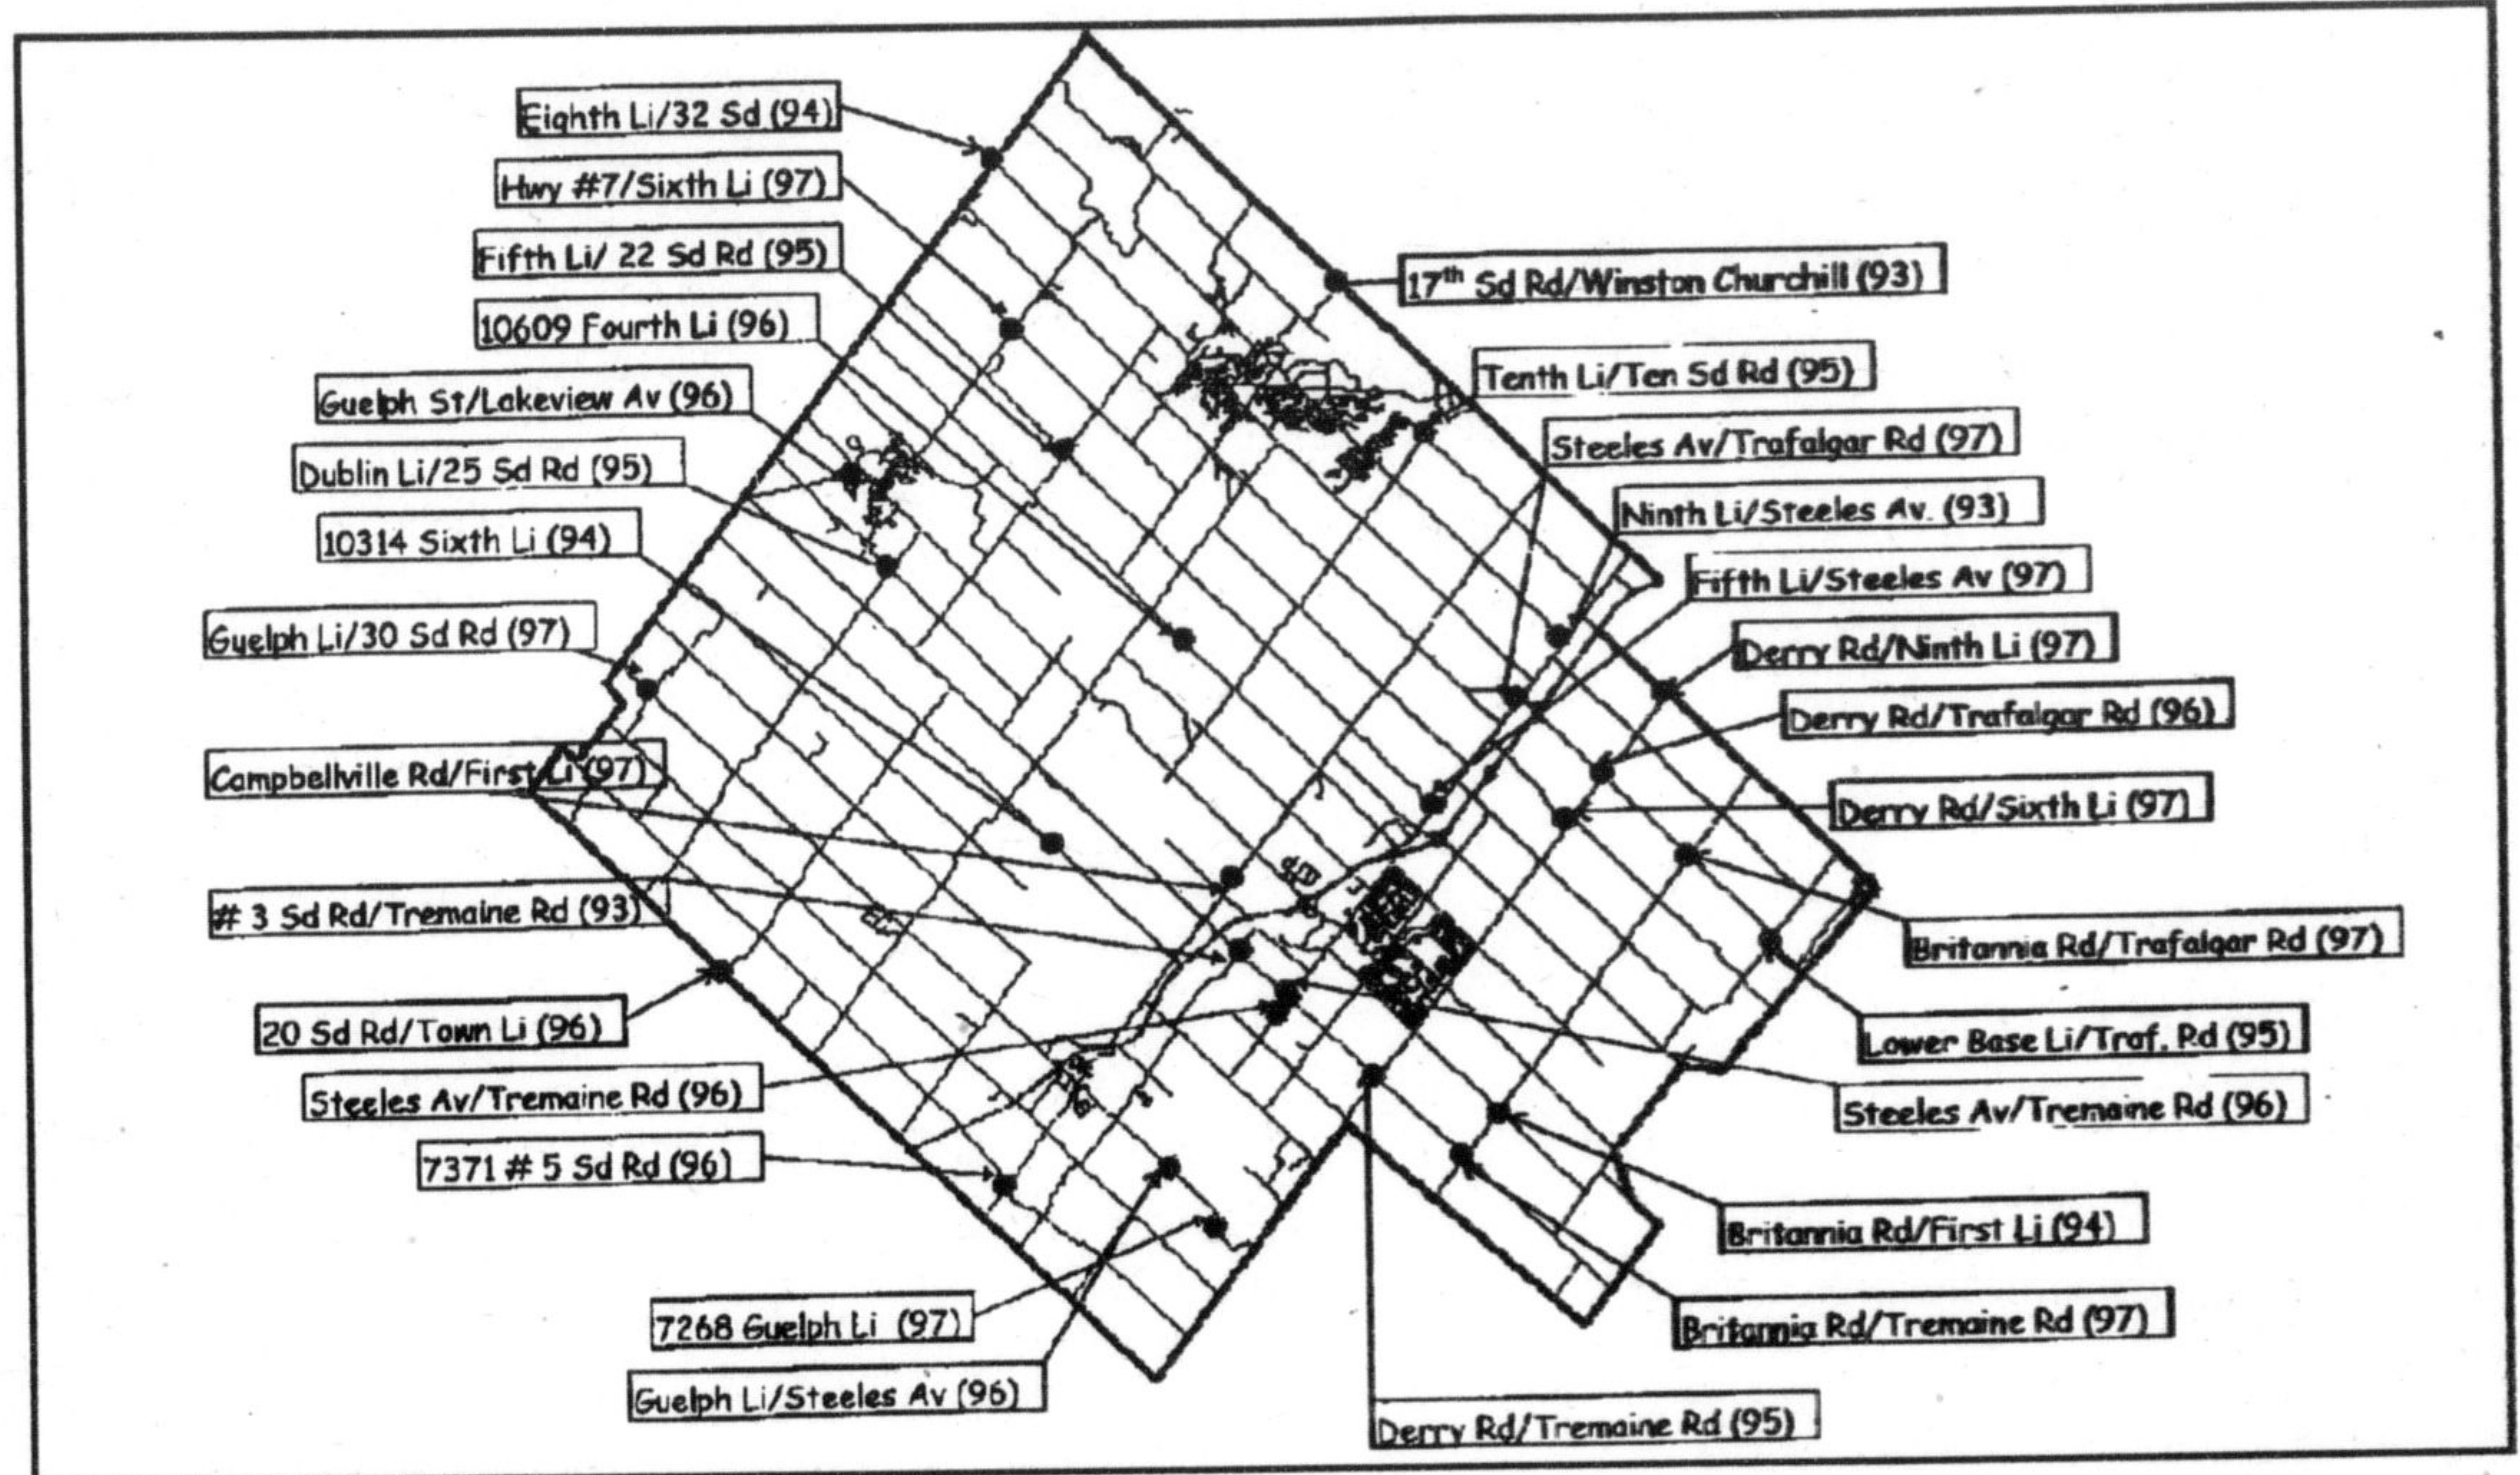

Progress made

He said police have made progress in reducing deaths on the problem road of Guelph Line through increased staff and radar traps.

And citizens' groups such as Rural Watch in Nassagaweya have helped educate the public.

But there's a lot more work to do done as the loss of lives continues, he said.

Something that will help will be the upcoming introduction of radar units in every police cruiser, the staff sergeant said.

Be on the lookout for bogus \$100 bills, investigators say

Counterfeit bills have been turning up all over north Halton and Crime Stoppers wants to identify the sources of the bogus currency.

During July and August, banks received about a dozen fake \$100 and \$20 Canadian bills from their commercial clients in Acton, Georgetown and Milton.

The illegal notes are of fair quality and have tricked clerks at gas stations, golf courses, an auction and a veterinarian's clinic.

Some bills have common serial numbers while others are unique.

This is a problem across the province. Today's high technology copying machines enable crooks to make passable counterfeit notes. Knowledge and diligence by those

receiving money can help prevent becoming a victim.

Do you know someone getting a free ride with bogus bills? Do you know someone printing phony money?

If you can suggest possible suspects for the police to investigate, Crime Stoppers is waiting for your call.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

You need not give your name and your information can be taken with complete anonymity.

Crime Stoppers does not subscribe to call display.

Call 1-800-222-TIPS or 825-TIPS.

Crime Stoppers of Halton is operated by a board of directors made up of 18 civilians from all areas of the region. The reward fund results from the financial support of business, industry, service clubs and private citizens.

The board of directors raises the money, decides on the amount of rewards and actually pays the rewards.
