## Feature Business of the week ... the Cutting Edge

Susan Kret

On May 5, 1998, the Cutting Edge opened its doors in Downtown Milton. Owner, Susan Kret, who has been serving the Milton community for over 17 years was thrilled to open her own hair salon in the heart of Downtown Milton. "I'm having a lot of fun, I love this business; my clients are great and I love my job!" Susan adds.

She has received overwhelming support from her family, friends, clients and the community at large. "Everyone seems to care about me and my success. It makes me feel very special ... like I'm part of this community," Susan says.

"I recently experienced a traumatic occurrence which made me take charge of my life and finally do what I've always wanted to. We all need to live life to the fullest and do something we thoroughly enjoy," Susan adds.

Over the last few months, Susan has embarked on a new venture and it seems to be doing wonders for her and the Milton community.

Visit Susan Kret at the Cutting Edge, 15 Martin St., Unit 7, Carriage Square, Downtown Milton.

## Young Drivers helps parents say yes to drivers' licences.

**W**ant to go for your licence?  
Trying to persuade your folks?  
Why not bring them to a free parent-teen co-driver session at Young Drivers of Canada?  
(Or call us for a free video brochure!)  
We can show Mom and Dad that with YD's famous risk perception, emergency maneuvers and collision avoidance training,

you'll be able to handle the responsibility of a licence.

After all, we've already trained over half a million people to drive as if their lives depended on it.

Just call Young Drivers, and say the word. We'll reserve your seats.

And maybe they'll let us put you on the road!
