## what you get

How can one small phone hold so much?

Once you turn your phone on, you'll be surprised to discover how much you get. With Clearnet, all of the following great features and benefits are included in your low monthly fee:

- No long-term contracts to sign
- 30-day money-back guarantee on your phone
- National coverage - our service covers more than 90% of Canada's population
- Included minutes can be used anywhere in Canada
- Voice Mail - you're never out of touch
- One-second billing - save money by paying only for what you use
- Caller ID - always know who's calling
- Call waiting - never miss important calls while talking to someone else
- Enhanced privacy
- Longer battery life - you'll spend less time re-charging
- No activation fees
- 24-hour client care - we're always ready to take your call
- Free local calls on your birthday
