Bantams knock out top team

Milton played the role of spoiler to critical acclaim last weekend in bantam girls softball play.

The Expedite Plus sponsored crew didn't quite reach the finals of the Peel-Halton Championships at Lions Park, but managed to eliminate top ranked Brampton before bowing out themselves.

The teams each split their first two games of the double knockout tournament before hooking up Saturday afternoon. Brampton had gone undefeated through regular season play and finished fourth at the recent Ontario Summer Games.

But continued dominance was not to be as ace hurler Lindsey Harrold needed just 60 pitches over seven innings to lead her crew to a 2-1 triumph.

Sharing the heroics was Laura Anne Sheehan, who posted two singles and scored both runs. Other multi-hit performances came from Alicia Taylor and Melissa Difrancesantonio.

A couple of hours later the hometown girls were put out by eventual champs Chinguacousy, the same team that had handed them an 11-2 defeat Friday evening.

Milton fared much better in the return engagement, enjoying a slim lead early on before losing 5-2.

Melissa Parcels had a pair of singles while Harrold and Leeanne Boreham split the pitching duties.

Round two featured another one-run victory for Milton, who eked out a 6-5 decision over Georgetown.

Pandora Lewis and Tasha Lewis led offensively with two hits each, with Boreham working her magic on the mound.

Rounding out the local squad this year were Stephanie Funston, Lindee Haringa and Jen Wilson.
