CUBA, OR A CRUISE!

THE ADDITION OF 5,000 NEW HOTEL ROOMS PER YEAR IN CUBA (for the next decade) means that for Canadians, there is going to be many wonderful choices for vacation in this beautiful country for years to come. Remember that the Americans aren't OK to go there yet, so we have the best choice! VARADERO, HAVANA CITY and CAYO COCO are the main areas of development. There are many varieties in vacation to choose from with many offerings from the larger and smaller suppliers — the 'all-inclusives' are the most popular, and CUBA will be the 'HOT ITEM' for vacation travel planning this winter.

HOW ABOUT A CRUISE ON THE QUEEN ELIZABETH 2! The QE2 will make 17 transatlantic crossings in 1999, with the April 14 crossing from Southampton, England to New York marking the 30th Anniversary of their transatlantic cruises. YOU CAN TAKE A 104-DAY WORLD CRUISE, leaving January 5 — top dollars involved here, but heck, it's a once in a lifetime event! These are just examples of the MANY, MANY CRUISE OPPORTUNITIES there are for you to consider and choose the right one, with many good bargains available at all levels of spending!

ARIZONA BECKONS MANY CANADIANS as the State's numbers increase especially from Ontario, even though US travel by Canadians has been on a downward slide since 1991. We are still the largest supplier of tourists to their vast country — 19.1 million visitors arrived there in the peak years of 1988 through '91, but has dropped some four million in the years since. Just under 100,000 ONTARIANS VISITED ARIZONA last year, mostly in the October/March period. Recognizing the difference in our dollars — Loonie/USbuck — many suppliers there are joining in 'CANADIAN CACTUS DAYS' offering special rates and discounts in the state this coming season. Great climate!

TRAVEL TIP OF THE WEEK: When moving about here, you must be conscious of the possessions you carry — when you go abroad, you must be even moreso!

Bringing The World To You Since 1961

Condren's strategy pays off nicely

Two divisions of the Nassagaweya Stakes for two-year-old pacing colts and the Milton Stakes Prep for aged mares highlighted the Mohawk Raceway program on Saturday, Sept. 19.

In the first division of the Nassagaweya, Island Fantasy and top OJC reinsman Steve Condren of Milton took home the lion's share of the \$110,000 purse.

Island Fantasy was eased off the gate and settled away at the rear of the 11-horse field. With the action fast-paced early on it turned out to be the perfect driving strategy by Condren.

In a dramatic sweep of the field Island Fantasy, a son of Life Sign out of the world champion mare Three Mile Island, was a length winner in a personal best 1:52.4.

"He's not a great leaver," said Condren in a track side interview. "I left as hard as I could and he still got away at the back. The two horses behind us were bumping and grinding and it really didn't look good for us at the quarter. Bob (McIntosh) has done a tremendous job with him, getting him into awesome form."

Island Fantasy has four wins in 10 starts and is just shy of \$200,000 in his freshman year.

Fort Apache Hanover had the biggest payday of his career, winning the \$108,600 Nassagaweya second division in a career best 1:52.4.

The Western Hanover pacer, racing out of the Bill Wellwood camp, entered the contest off a second-place finish to Island Fantasy in the September 10 Champlain Stakes at Woodbine.

Paul MacDonell was in the sulky for the colt's third win in his past four races and liked what he saw on the replay.

"He got back in the field midway through the race and I had to move him three wide earlier than I wanted

to but he's got a big kick and you can do what you want with him," said a jubilant MacDonell.

Shania was an easy winner in the Milton Stakes Prep.

Despite a parked trip to the opening quarter in :27.2, the four-year-old daughter of Laag went on to lead the rest of the way and win in 1:51.4.

Owned by Chance Berg Ranch of Fairfield, Illinois, Shania set the Woodbine track record for aged mares on August 27, winning a leg of the Roses Are Red in 1:50.4.

Mike Saftic, the winning driver behind Ellamony in the 1995 edition of the Milton Stakes, drove.

King leads the pack for the entire distance

Milton's Terry King took an early lead in Saturday's Challenger feature at Flamboro Speedway and never looked back, heading the field for all 20 laps en route to victory.

The event ran without a caution and the owner of Eagle Rad was able to hold off the advances of Dundas' Trevor Monaghan and points leader Dereck Lemyre of Hamilton.

King credits the win to a powerful motor built by Precision Engines, as well as the ongoing support of fellow sponsors D&S Signs and Bumper's Roadhouse.

In other action, the Canadian Vintage Modifieds had their season-ending cham-

ampionship on Saturday. Veterans Ray Hughes of Kitchener and Rob Maas of Norwich made up the front row, with Maas quickly showing his strength and taking the lead from the high groove.

For the 30 laps that followed, Hughes looked for a way around but the leader only bobbed once and allowed no room for safe passage.

Further back, Milton racer Glenn Colling carved through the pack from his 17th place starting position to crack the top five.

Racing continues tomorrow with the final fan appreciation night of the year. OSCAAR Super Late Models will highlight the card, which begins at 6 p.m.
