

# Let's do Lunch

Diana's is truly a family focused restaurant. There is a special children's menu and accommodations are always made for the little people in your family. For the mature diner there are many varieties of cuisine to choose from, for example there are Italian dishes, Indian dishes all the way to the always fun Wing Night. The Diana Sunday Brunch

may very well be the best priced Brunch around for \$6.95 served every Sunday from 8 am til noon. Diana's latest addition is the Tropics Lounge, where you can enjoy a late evening drink and a wonderful appetizer menu while listening to a live band. The pool located in the Quality Inn is also a special feature Diana's wishes to offer. While you are in the Tropics

Lounge, you can take a dip in the attached outdoor pool, to cool off.

Diana's offers Catering and Banquet facilities for up to 80 people. The lovely banquet hall is perfect for a wedding, first communion or anniversary function. The "Green Room" holds 15 people comfortably, and is literally that: a "Green Room" with floor to ceiling windows.

There are also various meeting rooms that can be utilized by the smallest company to a larger one. At Diana's the food is always fresh and prepared only when ordered. The best quality meats are served and prepared with decadence by Chef Sean. Come out and try Diana's Cuisine with the international flair. 161 Chisholm Drive, Milton, in Quality Inn, 401 and Highway 25. Telephone 876-0381.
