RED RIBBON CAMPAIGN 1998

The Red Ribbon Campaign runs from November 2, 1998 to January 6, 1999. This campaign involves having Volunteers hand out RED RIBBONS at various malls and shopping areas to shoppers as they hurry around preparing for the Holiday Season. This RED RIBBON is to be tied onto your car's antennae as a visual reminder that

you support safe and sober driving. RED RIBBON coin boxes are also distributed to many gas stations, coffee houses, variety stores etc. to give people the opportunity to take a RED RIBBON for their car. Please make a donation to MADD. Help support their mission to stop impaired driving and to support victims of this violent crime.
