

# What Christmas Means to Me

## Sleepover before Christmas

One day at school Jonathan, Jason Jesse, Michael T. and me (Dylan) were playing. We were having a duck race. We were against the dogs. The next recess we were fighting about Jesse, Jason and Michael T. hating each other. Jonathan and I had to do some thinking about it.

Jonathan and I were spending the weekend. A couple of weeks later it was Christmas Eve. We made our friends go to my house. We played. After we had a sleepover we were friends again.

It was the best Christmas ever.

## Mom's allergic

Christmas means a lot to me. I like getting presents under the tree. Some presents are good and some presents are bad. But I think it's the thought that counts.

Christmas means a lot to me because I'm with the family. My mom's allergic to Christmas trees so we buy a fake one. We usually have some friends over then we trim the tree.

We put some cookies and carrots out for Santa and his crew. Then we go to bed and dream about the wonderful things that Santa brings and that's what Christmas means to me.

## Christ is born

What does Christmas mean to me?

Does it mean I want to open up

my presents? No!

Does it mean I want to see Santa? No!

Does it mean I want more toys? No!

Does it mean Christ was born on that day? Yes!

It means that it's Christ's birthday on Christmas Day.

## In the manger

I like Christmas because it is Jesus' birthday. We celebrate his birthday. We like Christmas because we get to see our relatives. I have fun because I get to put Jesus in the manger.

## Time to give

Dear Santa: I have been very good this year. I am going to tell you what Christmas means to me. Christmas is the time of year to spread joy and happiness. Christmas is a time of year to give, not to get, to share not to keep. Christmas is when Jesus was born. It is a time to remember the kids that do not get anything for Christmas. Go to church and praise God.

## Angel appears

Christmas is about the birth of Jesus. One night the angel Gabriel came down and told Mary she was going to have a baby named Jesus. Mary went to her cousin Elizabeth's house. Then Mary went to Bethlehem. Mary was on the donkey. Joseph walked beside her.

When they got to Bethlehem they couldn't find a place to stay. A man told them about a stable where they could stay. Jesus was born. Jesus grew up to be the Son of God.

## Santa comes through

It was Christmas. It was very cold. There was a storm. Santa could not get through the snow. All of the children thought Santa forgot about Christmas.

Somehow Santa got through the storm and all of the children were scared of the storm and they ran to their beds. But Santa told the children not to be afraid because the loud noise was the wind.

Then the storm got really windy. Santa could not fly and he had to sleep at a person's home. When he woke up he didn't know where he was.

## Go to Mexico

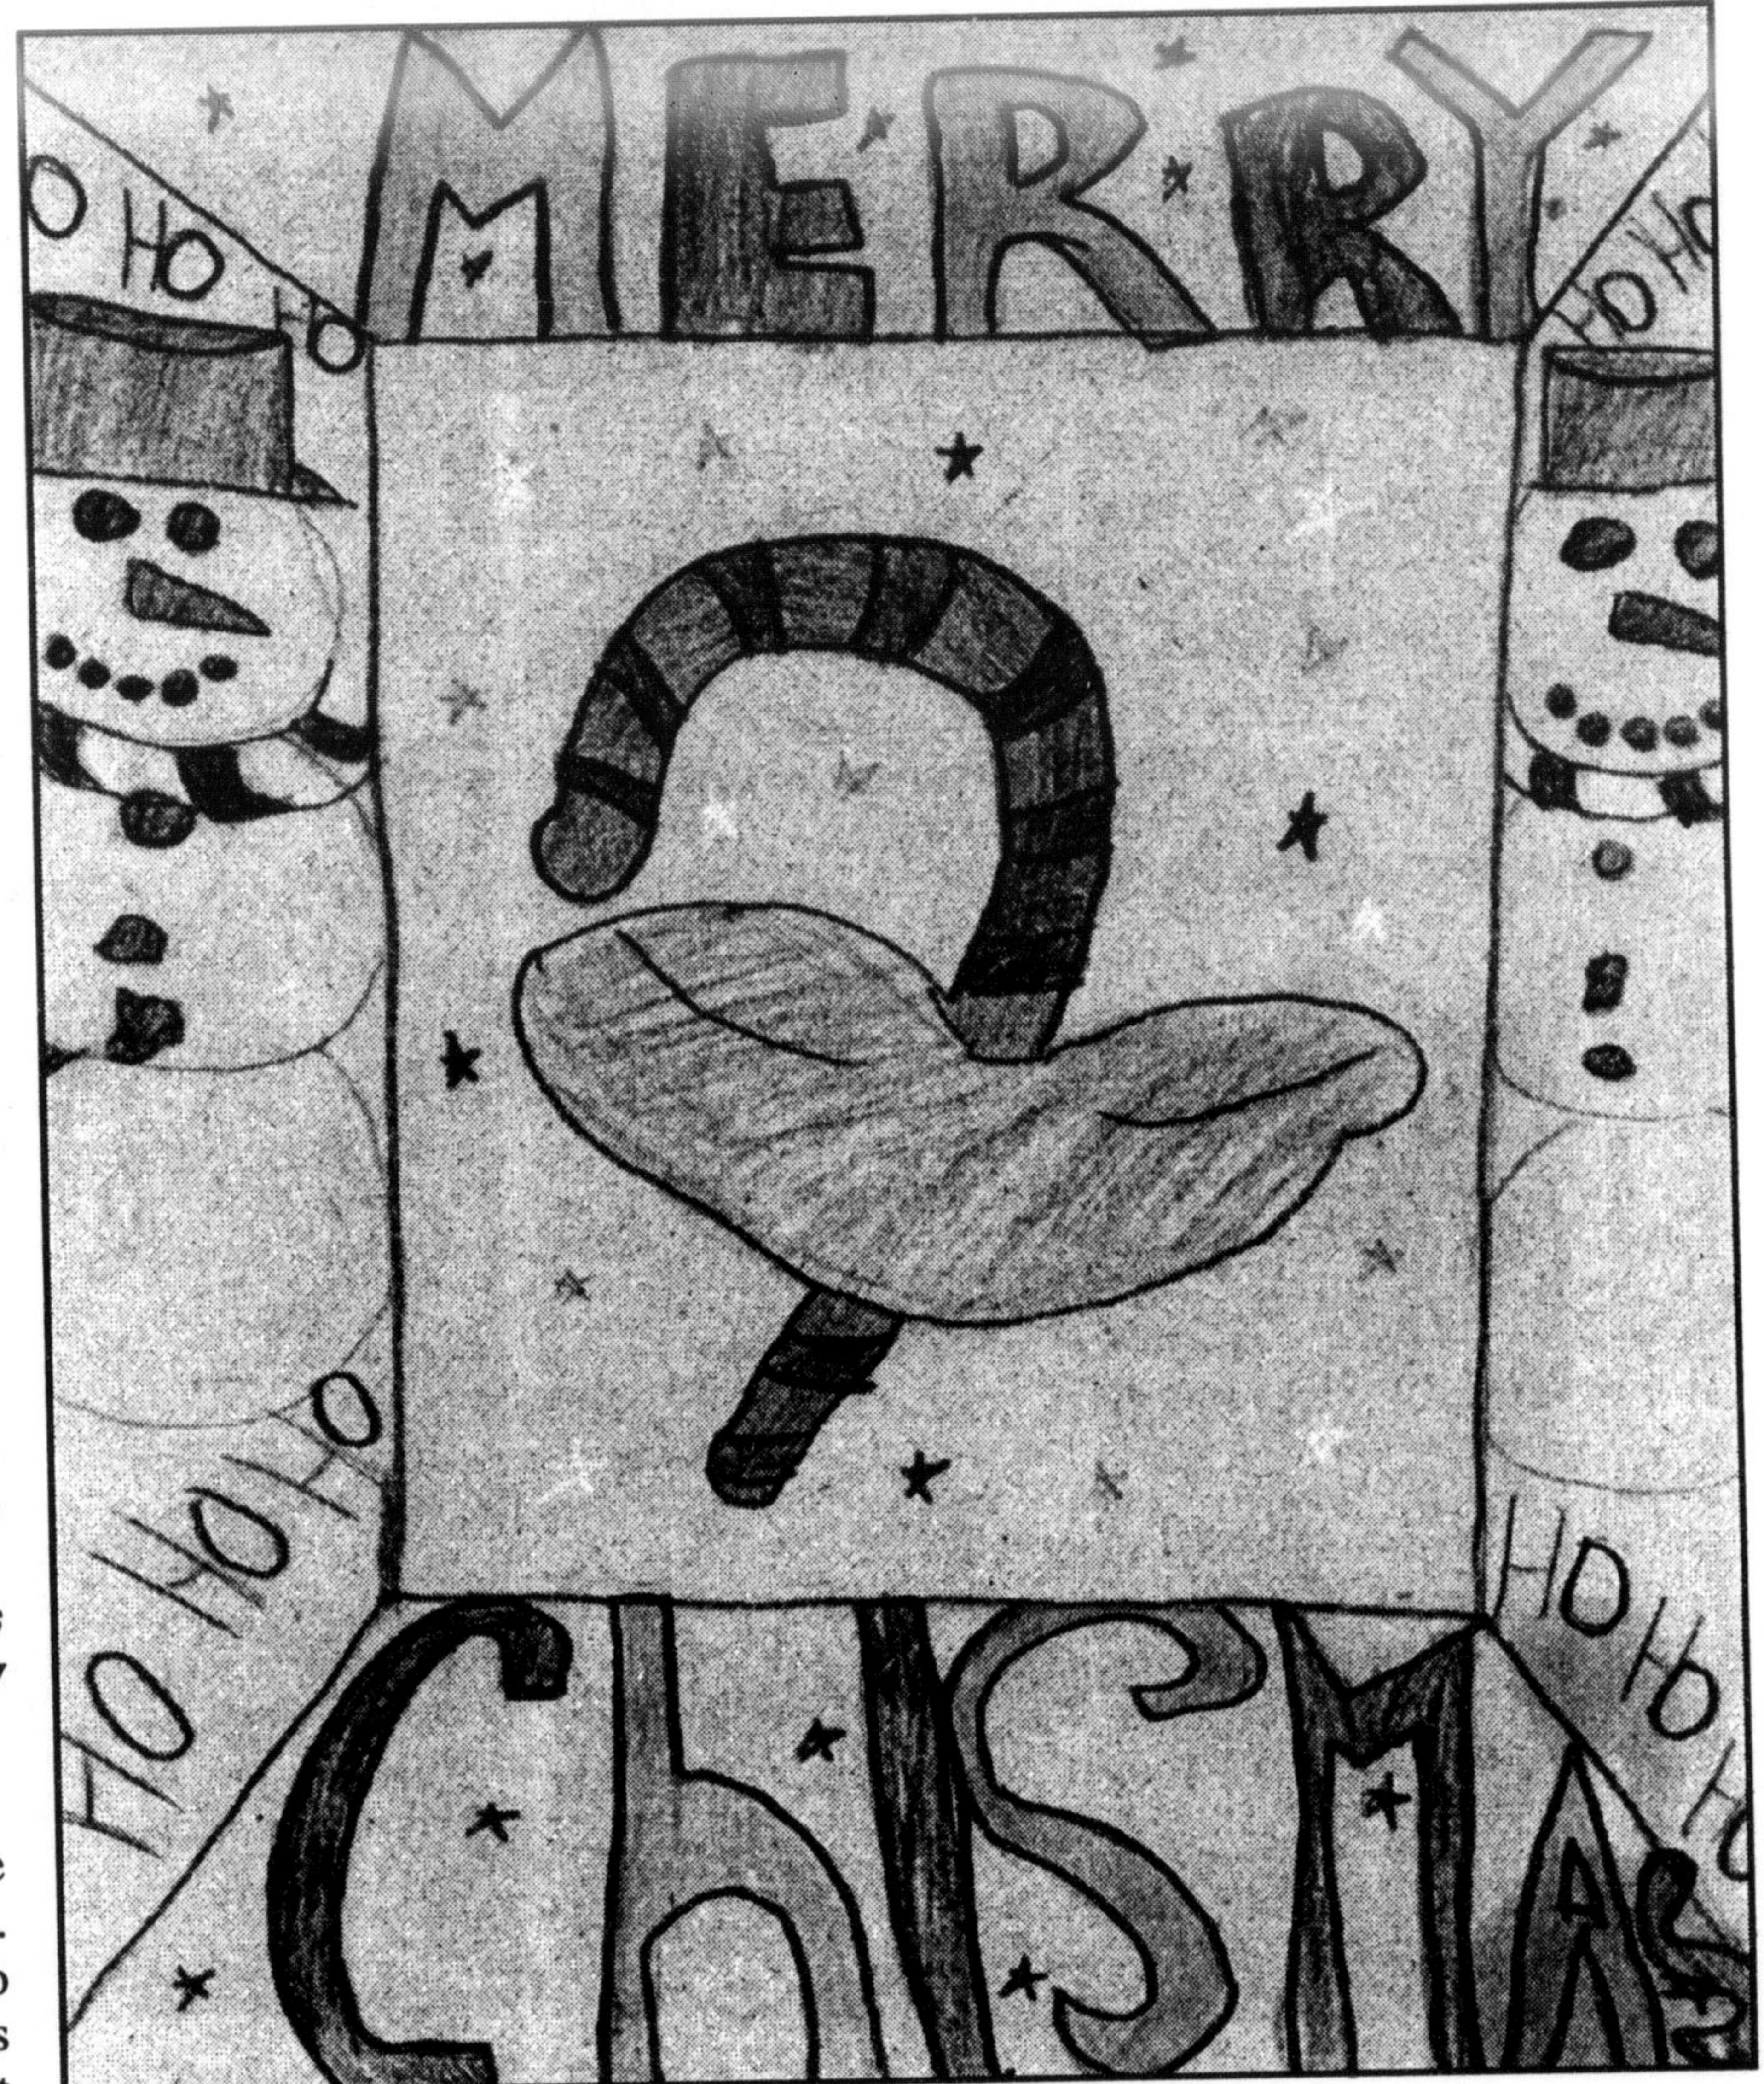

One Christmas I got a Furbee and a Chin Chila from Santa Claus. It is a special day because I get to go to Mexico by myself. Christmas is Jesus' birthday and it is about Joseph.

## Happy day

One foggy Christmas night Santa Claus was in his sleigh delivering toys to all the good children. Sometimes you can hear him say,
