

# What Christmas Means to Me

## What about Mrs. Claus?

Dear Mrs. Claus: As you already know, Christmas is coming very quickly. I bet you are preparing your husband for the hard winter ahead.

Mostly all children around the world write to Kris (Santa). Don't you ever feel like you are getting neglected? After all, you do most of the work and most kids do not realize that at all.

How do you feel about elves working in a workshop? Do you get a say on it? Do you like to bake cookies for your husband? I bet he adores you for it. Does he have any favourite cookies, or does he eat everything you bake because they are so good?

When he goes out to deliver all the toys to the good girls and boys, do you ever feel like going out with him instead of staying cooped up in the house? If I had a chance to fly, I would take it instantly.

I hope this year you will join Kris and have a smashing good time.

Say hello to all the happy little elves for me, to all the reindeer and especially Kris Kringle. I would really

appreciate it.

Please drink warm hot things to stay nice and cozy for the harsh weather up there in the North Pole.

Merry Christmas.

## What time is it?

Christmas means a time to share, a time to give a time to care.

It's a time to spend with those you love, family, friends and those in heaven above.

It's a time to laugh, a time to play, a time to be kind in every way.

## Royal presents

Hi, my name is Justin. I am five years old, and this is what Christmas means to me.

You always get all kinds of cool stuff from Santa. You get new clothes sometimes, new toys sometimes, new shoes, and a whole bunch of other stuff.

Another thing that reminds me about Christmas is the birth of Jesus Christ. When Christ was born, three kings came to him. One of them

brought gold, the other one brought myrrh and the other brought frankincense.

Jesus Christ was born in a manger with lots of animals like sheep, horses, donkeys and chickens.

My mom always puts up a picture of Jesus Christ on the wall of our house and that is what Christmas means to me.

## Great family times

Christmas means a lot to me because all of our relatives come over to our house.
