

Lawsuit looming

• from HITS on page 1

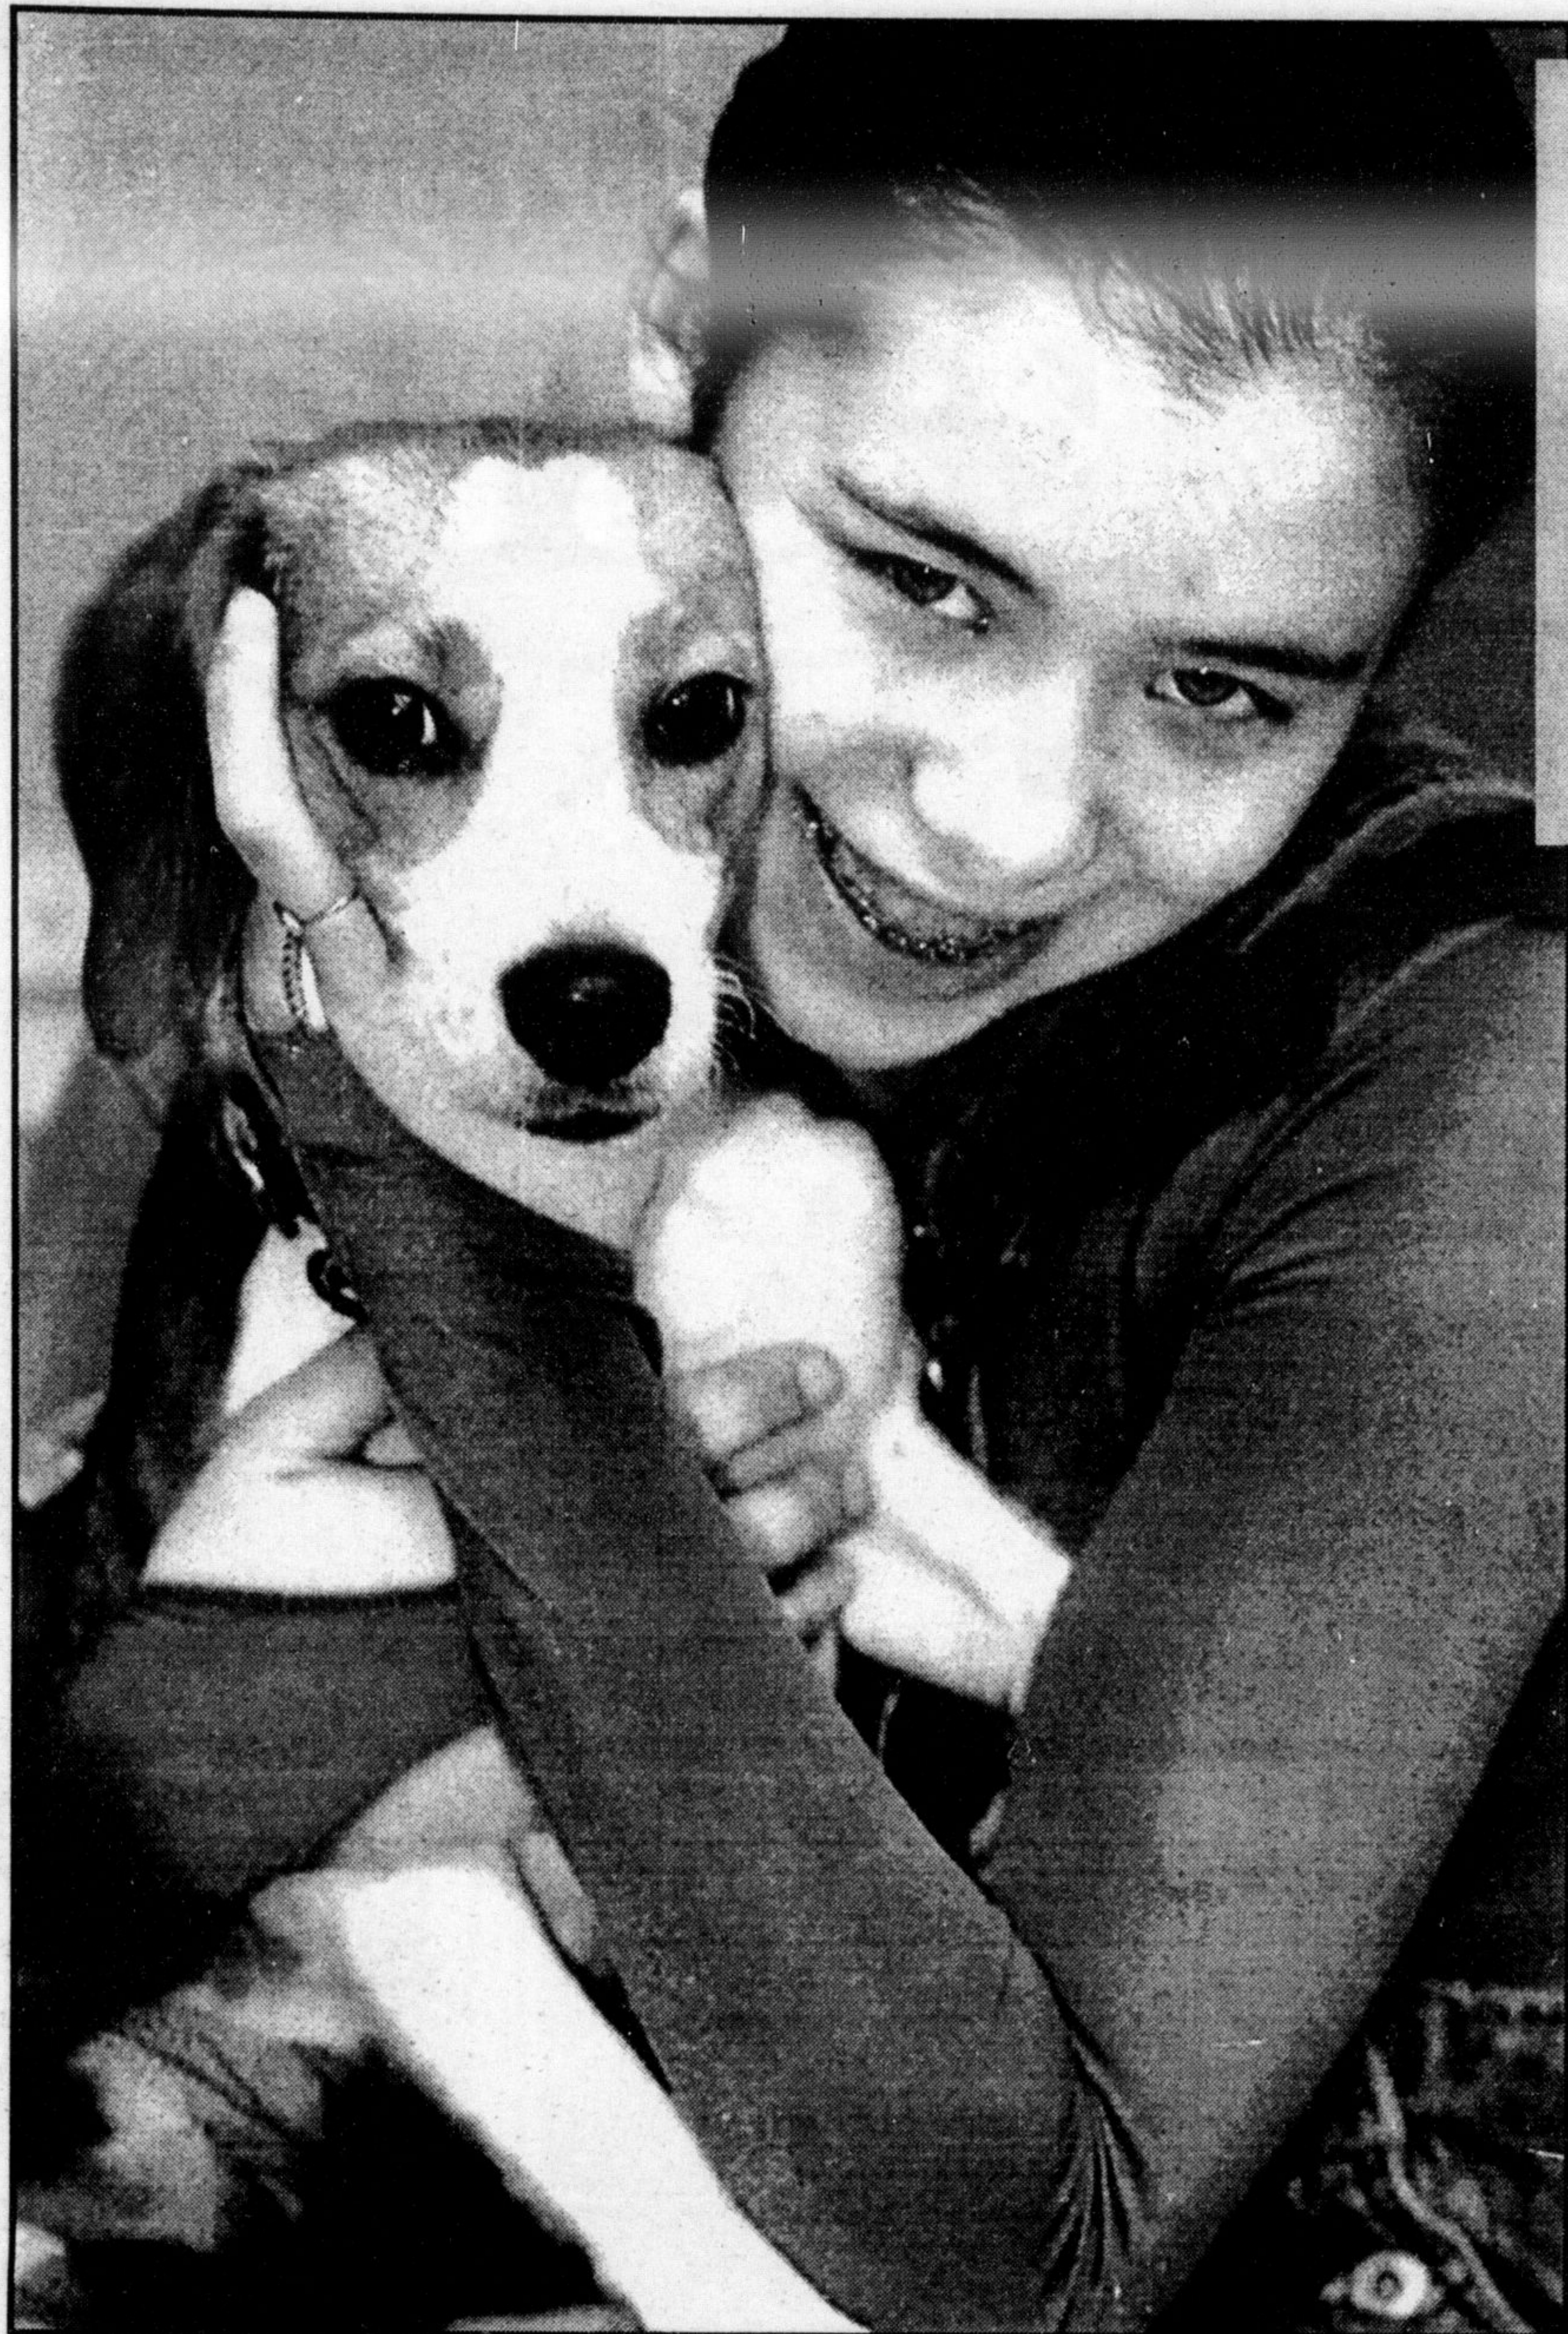

Partnership Incorporated from Toronto, and The Guarantee Company of North America. Also named are Mel Mekinda and Douglas Snyder, principals of the Mekinda Snyder partnership.

Reached in his Toronto office, Mr. Snyder refused to talk about the lawsuit.

"No comment," he said. "(Mel Mekinda) is not in today and I think you'll find his position is the same."

A representative of Granville Constructors could not be reached as of press time.

The statement of claim has the Region seeking damages for breach of contract and negligence from both Granville and Mekinda Snyder Partnership.
