

Thief took leather coats

A smash-and-grab at a Milton store has netted a thief some men's jackets. Crime Stoppers wants to help recover the stolen property.

During the Tuesday night of January 19 to 20, the glass door was shattered at Bill Mathers Men's Wear on Main Street near Montgomery Lane.

Once inside, the culprit ran to the back of the store, grabbed 18 leather jackets and left through the same door.

The bomber-style jackets were described as black and leather, and made by Crown, Corrado and Macmor.

The estimated value was placed at between \$8,500 and \$10,000.

If you can suggest a possible suspect in this case, or if you know where the stolen property was taken, Crime Stoppers would appreciate receiving a call from you.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.
