

Computer theft from school

A burglary at a Milton school has netted a thief some computer equipment. Crime Stoppers wants to know where the computer can be found.

During the weekend of February 19 to 21, someone broke into the E.C. Drury School for the Deaf. Access was gained by smashing a window in the east wing.

Once inside, the suspect went to an office and meeting room where a computer system was located. The suspect took a Pentium computer, a monitor and a printer.

Crime Stoppers would appreciate hearing from anyone who can suggest a possible suspect for the police to investigate, or advise where the stolen equipment can be found.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.
