Shutout is series clincher

Superb defence earned the A major atoms a second round win against the Orangeville Flyers.

The Jaycee Winterhawks relinquished just half a dozen goals in the five-game series, and none in a dramatic 1-0 clincher.

Carl Chan was flawless between the pipes — for the seventh time this season — while his latest shutout bid was aided by potent penalty killing efforts from his cohorts.

Sinking the lone tally was Anthony Perruzza, who delivered his third of the series early in the second period. Shannon Miller and Nathan Nadalin drew assists on the play.

Milton had several chances down the stretch to put things away but instead hit three goal posts.

Stephen Kays and Derek Champoux showed strongly during the series as well, collecting three points each.

The 'Hawks now advance to the OMHA semifinals, where they'll clash with the winner of the Essex-Thorold series.

Bants bounced

Milton's AA major bantams were unable to stave off elimination for a second straight time and dropped a 4-2 decision to Orangeville Friday.

They bowed out of second round play in four games.

Chris Wasilkowsky provided sensational goaltending and kept his teammates within striking distance

Rep Hockey

the entire way.

The contest was up for grabs until a last-minute empty netter sealed the deal.

Standout defence was turned in by Trevor Martin and Justin Mastrangelo, who initiated some key rushes and effectively clear their own zone all evening long.

An extra bit of hustle earned Quinn Young goal number two, while Justin Tingley potted the opening marker. Assists went to Chris Dumencu, Evan Jeans, Darryl Langstone and Jon Taylor.

Advance to finals

Halton's AAA major bantams are championship bound after sweeping the Windsor Spitfires in a best-of-three semifinal showdown.

The Hurricanes capped the series with a 5-3 victory. Working the cage was Mark Roselle.

Before that the local club — who finished fifth in the regular season — upset the second-place Grey Bruce Highlanders in a six-point series.

Halton outscored them 21-15 and took fewer penalties, as they did against Windsor as well.

Their division finals opponent has yet to be determined.

HJM wins

Milton's Ken Armstrong skipped his way to championship honours this past weekend during the latest stop along the 1999 Ontario Major Curling Tour.

His HJM Insurance sponsored rink — comprising vice Steve Oldford, second Todd Claerbout and lead Ron Brown — battled their way to the men's title against a top-flight field that featured reigning world and national champion John Morris.

In the finals they upstaged Sarnia's Steve Pruliere 11-7, earning a little payback for a round three defeat.

Competition was held at clubs across north Halton.

In the ladies' class it was Leanne Claerbout, a regular in the regional major league ranks, pulling off a 7-5 decision over Cheryl McPherson.
