equipment from a Main Street office building housing the Milton Property Management Group, Money Concepts and the Mayrose Tycon Group. All three businesses were targeted.

No cars taken

Overnight Saturday, police responded to a broken car window at Gallinger Motors on Main Street and discovered that the building had been entered. Car keys for various vehicles on the lot were stolen. The vehicles remained on the lot.

Meanwhile, police received a call from a citizen reporting two suspicious people carrying something while running on Lorne Scots Drive. The two were seen hiding items in nearby bushes.

Police arrived and found a crowbar, sledgehammer and licence plates stolen from cars in the area.

The suspects, both white males, remain at large. One is described as five-foot-six and 145 pounds wearing a gray sweatshirt. The other suspect has a larger build and dark hair.

The pair are believed to be responsible for the break-in at Gallinger Motors, Staff Sgt. Smith said.
