Picnic in the park

It's always a relief when the spring weather hits after a long winter. Here, Deb Young enjoys a spring picnic with sons Jacob (left) and Aidan (right) recently at Milton Town Hall's Victoria Park.

DUFFERIN AGGREGATES

Earth Week Celebration

The annual spring tree planting day is another successful event resulting from the long tradition of partnership between Scouts Canada and Dufferin Aggregates. Last year's event was a great day for celebrating Earth Week at the Milton Quarry. Together, members of the Oakville District of Scouts Canada and Dufferin employees planted over 2,000 native tree and shrub seedlings as part of the rehabilitation of the quarry.

We look forward to the 1999 event on Saturday April 24. This year will mark over 35 years of partnership between Scouts Canada and Dufferin Aggregates and the planting of over 25,000 trees in the last 9 years.

We thank you for your hard work and making our Earth Week celebrations a huge success.
