To all those who have served on committees and assisted with Town activities...

THANK YOU!
from the Town of Milton

Your volunteer contributions are essential to the community.

Celebrating 40 years of Caring in the Community

Last year, 250 adult and youth volunteers made a significant contribution towards enhancing patient care at Milton District Hospital. This group of dedicated people contributed 10,000 hours of their time in more than 15 direct and indirect patient care services at your community hospital.

From patient care services on the chronic care unit to the sewing, knitting and plant groups, from the hair salon and hospital tours to Bingo - which raised \$18,000 last year - our volunteers are ready, willing and waiting to lend a helping hand. And let's not forget the volunteers from the Foundation, those who sit on the Board of Directors for the Hospital and the Foundation, and a unique and valued group of people who provide the Pastoral Visitation program - volunteers who give freely of their time and truly make a difference.

We're proud of our many volunteers and thank them all for being an integral part of our healthcare team.

If you'd like to join this dynamic group of men, women and teenagers, please call the MDH Volunteer office at 878-2383.

The Halton Children's Aid Society
thanks our dedicated volunteers on behalf of the children they help.

Oakville/Milton/Burlington Volunteers for Summer Day Camps July/August welcomed.

COMMUNITY LIVING NORTH HALTON

A THANK YOU TO OUR VOLUNTEERS

Community Living North Halton (C.L.N.H.) provides services and supports to people with developmental handicaps. Our agency would like to extend our sincere appreciation and thanks to the many valuable and dedicated volunteers who support our programs, projects and activities. A number of the individuals we support benefit from all of your efforts, and we recognize and value the commitment, dedication and enthusiasm which volunteers contribute in many important ways!

If interested in becoming a volunteer please contact Heather Thompson at 878-7656

Hope Place

Hope Place is a women's treatment centre for women suffering from alcohol and drug addiction.

We wish to thank all of our volunteers and supporters for their time and donations.
