

# Eye-opening trip abroad

• from HEAT on page 5

"Much to our surprise, we did meet twice with the governor and much of our discussion was around economic development," he said. "I really do think there's opportunity there."

While the trio are expected to make a report on any significant issues they feel the Philippine town is facing, final recommendations will be put off until a delegation from Santa Maria arrives in Milton.

"Nothing will be etched in stone as far as what will become of it because we have to wait for their delegation to come back here," said Mr. Krantz.

## Dateline

Dateline is a free listing of coming events only. The column is available to local community groups to assist in promoting their future events. Only charitable or non-profit community groups may use this service. We can only guarantee one issue of publicity closest to the date of the occurrence although more insertions are possible if demand is low.

Notices for Dateline should be handed in at the office of The Champion, 191 Main St. E., mailed to P.O. Box 248, Milton, Ont., L9T 4N9, or faxed to (905) 878-4943. The final deadline is noon Friday for Tuesday's edition and noon Wednesday for Friday's edition. Dateline items will not be accepted by telephone.
