Personal shopping only. Regular prices shown are the prices at which the product has been sold by Canadian Tire as of April 13, 1999. We value you as a customer. If you find an error in the price of an item, let us know. We'll be happy to give you the lowest price.

If price reduction opportunities arise after our print date, regular prices may be lower in store than those shown in this ad. We reserve the right to limit quantities. All sizes quoted are approximate. Some items shown may require assembly.
