Mother Nature's helpers

Milton Beavers, Cubs and Scouts descended on the Halton Landfill site recently to plant trees and shrubs as part of Earth Week celebrations. Among those taking part in the festivities were (at left) Paul Robinson as well as (above) brothers Kendall and Declan Smith.

Grade "A" News at MDHS
By Jacqueline Bass and Marissa Cheskey

Hello to all our readers out there! First of all we would like to take this opportunity to thank Mother Nature for this beautiful weather that we have recently been enjoying. Everyone seems to be in good spirits and getting ready for the summer.

As briefly mentioned in a previous article, Student Council elections are coming up. People for next year's executive were nominated at the Grade Rep meeting last week but these nominations have to be made official. Forms are available in the main office for anyone who wishes to nominate a candidate for one of these positions.

This is just another reminder to anyone who participated in the 30-Hour famine or who knows anyone who did. **BRING IN YOUR MONEY...** please! You can either give it directly to Erin Walsh who ever so kindly describes her outfit of the day so you can easily recognize her or, if her description wasn't adequate, please take it to the main office. Thank you.

Speaking of money, a group of students from M.D. went around to houses in the neighbourhood of the school and collected money for The Salvation Army. This event was called The Red Shield Appeal. All students who participated did so strictly on a volunteer basis. Students worked in pairs and each went to between 20 and 40 houses. We would like to thank both the students who volunteered their time and efforts in making this blitz a success and also to the neighbourhood for so generously contributing.

On Wednesday, the students of M.D.H.S. practiced their "Code Red" procedures, due to the recent unfortunate occurrences. A letter concerning this issue went home on Monday to inform parents about these emergency procedures. If you have any questions, please feel free to contact the school for further information. We will hopefully never be faced with this type of emergency but it is wise to be prepared just in case.

The Cafeteria jukebox has finally been fixed and is ready to once again take your money and in return, play your favorite songs. Please do not break it again or it will not be fixed.

Thanks once again for reading. Good luck to the Cheerleaders this weekend who will be in Kingston at the Provincial Competition. Have a good weekend and Happy Mother's Day!

DATELINE DRURY AT E.C. DRURY HIGH SCHOOL ADVERTISEMENT

Dateline Drury - May 7th, 1999
by Jessica Wellstead and Katie Murzin

Come join the fun this month at E.C. Drury! There are many activities in May that you can get involved in whether you go to Drury or just like to follow what goes on in the school.

In order to raise money for Prom '99, the prom committee has organized a used clothing drive. The committee is collecting spring, summer and fall clothing as well as accessories, shoes and belts, and will be selling them to an independent used clothing company. Regular items will be sold to the dealer at 10 cents/pound and denim will sell for 25 cents/pound. Anyone who donates clothing to the prom fund will have his/her name entered in a raffle for two \$50 gift certificates to Athlete's World. The collection will go throughout May and will wrap up on Friday June 4th. If you have clothing you wish to donate, please drop it off in H201 or in the main office. Thanks for all your support!

Another event to which we invite you is the E.C. Drury spring musical "Dracula, Baby", a comedic version of the Dracula story, which will play in the school auditorium May 18, 19, and 20th at 7:30 pm. Anyone interested in seeing this year's musical is welcome to attend. Tickets are available in the main office or at the door at a cost of \$5.00 for students and seniors, \$7.00 for adults. This year's musical could be the best one yet so buy your tickets today and support the cast of "Dracula, Baby"!

Speaking of getting involved, today was the last day for submitting nominations for next year's student government executive and OSSSA positions. By the end of May, five new executive members and one OSSSA (Ontario Secondary School Students Association) representative will be elected by E.C. Drury students to organize and run next year's school events. Good luck to all interested candidates!

On a similar note, nominees for Valedictorian of the graduating class of 1999 faced off Tuesday afternoon. Each candidate gave a brief speech about himself and spoke about why they would best represent the class. The voting took place on Wednesday during the school day, unfortunately, however at press time the final count had not been announced. Next week we'll be sure to announce the valedictorian for the graduating class of 1999 here in Dateline Drury.

As you can see Drury students are busy with many spring activities and hopefully you will be able to come out and participate in them too! Whether it's a baseball game, a soccer game, the musical or the clothing drive, come out and support Drury students! As always, we'll be back here next week to update you on more upcoming events at Drury!

Why do other driving courses say they're just like Young Drivers?

Maybe it's because Young Drivers has *thirty years* of experience teaching collision avoidance.

And over *half a million graduates*, coast to coast.

And *more than a million dollars* invested in driver training research, plus *another million* invested in annual recertification programs for our

instructors over the past 10 years.

And has achieved Registration to the coveted *ISO 9001 Quality Assurance Management Standard*.

No matter *what* they say, no one else is *anything* like Young Drivers!
