Located in Mississauga, **OSRAM SYLVANIA** is a world leader in the lighting industry. A part of the Siemens family of companies, **SYLVANIA** products can be seen in millions of homes and businesses, and our future is looking very bright indeed.

Sales Representative (Industrial/Commercial)

Responsible for the sales growth of Industrial Commercial (I/C) and specialty products in a defined territory, you will oversee existing and prospective target accounts, provide timely sales forecasts by account and product line and successfully achieve sales and profitability objectives. Analyzing the market to determine future business opportunities, establishing a reliable contact network within the industry, gaining knowledge of our competitors' activities and working with the Regional Sales Manager to coordinate industry trade shows will also be among your responsibilities. Your Bachelor's degree in Business or Marketing is complemented by at least 3 years (ideally 4-10) of dedicated field experience with proven performance in lighting, electrical or another highly technical industry. The ability to handle a multi-million dollar territory in an extremely competitive market is your key to success in this role. Your outstanding track record in sales demonstrates a natural ability to meet and exceed targets in terms of volume and margin, and you are highly skilled in the areas of management, organization, planning, analysis, communication and negotiation. Adept with computer applications (MS Word, Excel and PowerPoint), you are an excellent presenter who is capable of handling routine work independently and efficiently. **BP0599-01-6221**
