ADVERTORIAL

**Student Employment Centre
Now Open for the Summer**

The Human Resource Centre for Students is up and running for summer 1999. We're very excited because the response from local employers has been excellent. We hope that all local businesses will post summer jobs opportunities with us. There has also been a high volume of student traffic through the Centre since the doors opened May 3rd. The Centre provides a variety of free services for both students and employers.

High-school and post secondary students are encouraged to use our centre as a starting point for their summer job search. In our centre this year, we have a computer with access to our internet Job Bank web site where students can view job listings in Milton and surrounding areas. We also provide assistance in résumé writing which can also be completed through a computer provided within the centre. In addition we can help students to prepare for job interviews and provide information on government programs.

For employers we provide free job postings which generates a large response from interested students due to the frequent use of our facilities. Moreover, we can give information regarding wage subsidy opportunities and minimum wage require-

ments. New this year, in Milton, we joined forces with the province's Summer Job Service and subsequently formed the Summer Job Partnership. The Summer Job Partnership has combined both the federal and provincial student offices to reach students and target employers.

Local businesses and homeowners can take advantage of our "Odd Job Squad" which consist of students willing to do casual jobs for homeowners or those in need of hardworking labour under a short term basis. These students' names are kept on a list, so that employers who need help immediately (usually the next day), can get a quick response. These jobs can include anything from cutting the lawn, painting, to childcare.

For further information please contact the Human Resource Centre for Students at (905) 878-8418 ext. 217, or the Summer Job Service at (905) 878-8418 ext. 230, or visit us at:

Close call

Police investigate a van-bike collision at Ontario and Main Street Wednesday. No one was seriously hurt in the 10 a.m. accident.

Police Week show and tell

Halton Regional Police opened an elaborate display at Milton Mall yesterday to play up Police Week.

The three-day exhibit featuring crime prevention information, a police motorcycle, equipment and members of volunteer groups within the service, continues during mall hours today and tomorrow.

Other groups and organizations such as Child Find, Canada Customs, the OPP, RCMP, Ministry of

Transportation, Ministry of Natural Resources and GO Transit Security round out the display.

On Saturday, Halton police Chief Ean Algar and Deputy Chief Gary Crowell will be in attendance during the morning and early afternoon.

"This is a large display and there will be officers available to answer any questions," said Constable Rick Earle of Halton police.
